The Perfect (Ofsted) English Lesson David Didau, 2012-06-29 Another from Jackie Beere's Perfect stable this simple but effective little book is designed to help bring the best out of all English departments during that all important Ofsted visit. It is written by David Didau a highly effective and innovative head of English at a school where Independent Thinking is a trustee. Real education isn't about a race to the top of the class or the league table. It isn't about being better than anyone else or accumulating as many qualifications as you possibly can. It's about being helped to be the best you can possibly be by professionals who are skilled enough to know how to do it and compassionate enough to take the time to do it well. Nowhere is this philosophy more important than when it comes to supporting children with special educational needs and this book, commissioned for our Perfect Series by a SEN consultant with many years experience, will help you achieve just that. *The Perfect (Ofsted) School Governor* Tim Bartlett, 2013-07-31 Each of the 20 000 schools in the UK has a governing body who are an integral part of the school's major decision making processes, the results of which directly affect our children. For this reason it is essential that governors make clear and informed decisions in order to implement the best educational framework for young people. This latest addition to the hugely successful Perfect Series, *The Perfect Ofsted School Governor* written by a seasoned professional with 17 years of head teacher experience, aims to be the most conclusive, easy to read, education jargon busting and essential guide for teachers, governors new and old and school boards alike. It covers everything a governor needs to be the best that they can be, including the history of the education system in England, preparation for Ofsted inspections and their impact, leadership and governance, handling complaints, a checklist for effective governor meetings, guides to interpreting data correctly and much much more. **The Perfect Further Education Lesson** Jackie Rossa, 2014-04-25 The Perfect Ofsted Further Education Lesson will help teachers, trainers, tutors and assessors provide consistently outstanding learning experiences that make a real difference to their learners. It removes the mystery surrounding outstanding learning and enables staff to make the Great ESCAPE, setting them free to do what really matters for their learners.
