Perfect Villains, Imperfect Heroes Ronald L. Goldfarb, 2002 a compelling piece of work strongly evocative of an era that seems more and more to have been one of the most extraordinary periods in our history The unions the mobs the plots the characters Don DeLillo *Perfect Villains, Imperfect Heroes* Ronald L. Goldfarb, 1995 Written by Ron Goldfarb who was recruited as a young lawyer to work with RFK *Perfect Villains Imperfect Heroes* tells the story of Robert Kennedy's tenure as attorney general from his inexperience to his success at carrying out the most relentless campaign against organized crime ever mounted of photos The Social History of Crime and Punishment in America: A-De Wilbur R. Miller, 2012-08-10 This comprehensive and authoritative four volume work surveys the history and philosophy of crime punishment and criminal justice institutions in America from colonial times to the present Borgata: Clash of Titans Louis Ferrante, 2025-01-07 This epic three volume history of the mafia continues with *Borgata Clash of Titans* covering 1960 to 1985 as the mob comes into conflict with the American political elite and confronts internal wars that will shake the organization to its foundations The first serious external threat to the mafia's existence in America comes from U S Attorney General Robert F Kennedy who repeatedly expresses his desire to eradicate organized crime in America Kennedy unleashes the full force of the U S Justice Department including a slumbering FBI that Kennedy will drag into the fray to the apparent dismay of long time FBI Director J Edgar Hoover The mafia's unforgiving response is executed by Louisiana don Carlos Marcello along with Florida don Santo Trafficante who together take aim at the attorney general's brother the president of the United States With the president dead and the attorney general out of office things return to normal for the mob but internal problems begin to appear within a number of borgatas shaking the mafia to its core Mobster Joe Valachi becomes the first ever public informant when he testifies before a senate sub committee while Brooklyn mobsters Larry Albert and Crazy Joe Gallo launch an insurrection against the founder and leader of their borgata Joe Profaci While the Gallo Profaci civil war is winding down don Joe Bonanno challenges the mafia's ruling body the Commission in a situation that decides if the Commission's central authority can overpower the autonomy of each individual boss As he did in the first volume of this epic history Louis Ferrante continues to debunk myths while adding new insights into other mafia mysteries such as the feud between mafia capo Anthony Tony Provenzano and union leader Jimmy Hoffa revealing the most plausible scenario of why Hoffa died how he was killed and what happened to his body **Kennedy: The New Frontier Revisited** Mark J. White, 1998-08-10 Leading Kennedy scholars along with a group of younger historians have mined recently declassified documentation in order to re-examine many of the key issues surrounding JFK's time in the White House Vietnam Cuban missile crisis Berlin crisis space race and others Rejecting the idolatry and bitterness evident in so many previous works on JFK this study adopts an evenhanded eclectic approach The result is a less caricatured more compelling view of the Kennedy presidency **Robert Kennedy** James Hilty, 2000-04 For most of his life Robert Kennedy stood in the shadow cast by his older brother John only after President

Kennedy's assassination did the public gain a complete sense of Robert Bobby we called him as a committed advocate for social justice and a savvy politician in his own right In this comprehensive biography James W Hilty offers a detailed and nuanced account of how Robert was transformed from a seemingly unpromising youngster unlikely to match the accomplishments of his older brothers to the forceful man who ran the family business orchestrating the Kennedy quest for political power

The Kennedys: America's Emerald Kings A Five-Generation History of the Ultimate Irish-Catholic Family Thomas Maier, 2003-10-15 A meticulously researched chronicle of five generations of the Kennedy dynasty explains how their Irish Catholic roots informed their lives and political beliefs and reveals how the immigrant experience shaped both their remarkable success and many tragedies 100 000 first printing
