Performing America Abroad Leopold Lippert, 2018 What happens to America when it does not coincide with the geographical and institutional boundaries of the U S nation state What does America mean when it is performed abroad and circulates among populations and publics outside U S national contexts Performing America Abroad explores an unlikely American studies archive contemporary cultural performances in Austria and Germany which refer to the American cultural imaginary but enact it with a transnational difference The book discusses the ambivalent cultural politics of these enactments in the context of neoliberal capitalism specifically it looks at several cross racial performances of Indianness on various Austrian stages it examines queer political demonstrators on Vienna s central Ringstrasse who celebrate the legacy of the 1969 New York Stonewall riots and it discusses the Americanness of a series of theatrical adaptations of Arthur Miller s 1949 play Death of a Salesman in Germany and Austria

Staging International Feminisms Elaine Aston, Sue-Ellen

Case,2007-10-17 This new volume in the Studies in International Performance series looks at feminism's engagement with and relationship to global change The contributors attempt to develop a global scholarly dialogue by using examples from a range of countries Israel Japan Korea Germany Spain Sweden Italy as well as more familiar perspectives from the US and UK The book aims to show a variety of performance practices which are considered to be feminist from a large number of representative countries and locales

Performance Action Paula Serafini,2018-03-20 Performance Action looks to advance the understanding of how art activism works in practice by unpacking the relationship between the processes and politics that lie at its heart Focusing on the UK but situating its analysis in a global context of art activism the book presents a range of different cases of performance based art activism including the anti oil sponsorship performances of groups like Shell Out Sounds and BP or not BP the radical pedagogy project Shake the psychogeographic practice of Loiterers Resistance Movement and the queer performances of the artist network Left Front Art Based on participatory ethnographic research Performance Action brings together a wealth of first hand accounts and interviews followed by in depth analysis of the processes and politics of art activist practice The book is unique in that it adopts an interdisciplinary approach that borrows concepts and theories from the fields of art history aesthetics anthropology sociology and performance studies and proposes a new framework for a better understanding of how art activism works focusing on processes The book argues that art activism is defined by its dual nature as aesthetic political practice and that this duality and the way it is manifested in different processes from the building of a shared collective identity to the politics of participation is key towards fully understanding what sets apart art activism from other forms of artistic and political practice The book is aimed at both specialist and non specialist audiences offering an accessible and engaging way into new theoretical contributions in the field of art activism as well as on wider subjects such as participation collective identity prefiguration and institutional critique
