

Performances of Research

An abstract painting with a textured, expressive style. On the left, a series of vertical black lines represent a fence. Behind the fence, there are several stylized, blue and green figures. To the right of the fence, three orange, silhouette-like figures are walking away from the viewer towards the right. The background is composed of broad, horizontal strokes of light blue and green, suggesting a sky or a distant landscape. The overall mood is contemplative and somewhat somber.
