The Letters of Psellos Michael Jeffreys, Marc D. Lauxtermann, 2016-12-01 The Letters of Psellos is the first detailed study of the correspondence of Michael Psellos a leading Byzantine intellectual politician and writer of the eleventh century Psellos corpus of over 500 letters represents a historical source of great significance for the study of society and culture of the time literary masterpieces in and of themselves yet often complex and difficult to understand in their entirety they not only rebound with subtlety and humour but also offer invaluable information on myriad subjects ranging from the political culture of Byzantium and its civil administration to social codes religious beliefs and popular culture This volume consists of two complementary parts designed to make Psellos letters as widely accessible as possible both to the specialist academic community and to a wider non specialist audience The first part contains five essays offering detailed historical and literary analyses of a considerable number of the letters across a range of different topics including the financial management of monasteries the friendship of Psellos and John Mauropous and the challenges posed by Psellian irony While the essays are supplemented by individual appendices containing the translated text of the pertinent letters the second part of the book presents annotated summaries in English of the entirety of Psellos correspondence compiled over many years as part of the Prosopography of the Byzantine World project and supported by substantial excursuses and notes The result is an engaging and accessible shortcut into these bewildering and fascinating letters and an essential resource for the study of eleventh century Byzantine society and culture through the pen of one of its pre eminent figures

Music and Metaphor in Nineteenth-Century British Musicology Bennett Zon, 2017-07-05 In a word I shall endeavour to show how our music having been originally a shell fish with its restrictive skeleton on the outside and no soul within has been developed by the inevitable laws of evolution through natural selection and the survival of the fittest into something human even divine with the strong logical skeleton of its science inside the fair flesh of God given beauty outside and the whole like man himself animated by a celestial eternal spirit W J Henderson The Story of Music 1889 Critical writing about music and music history in nineteenth century Britain was permeated with metaphor and analogy Music and Metaphor examines how over arching theories of music history were affected by reference to various figurative linguistic templates adopted from other disciplines such as art religion politics and science Each section of the book discusses a wide range of musicological writings and their correspondence with the language used to convey contemporary ideas such as the sublime the ancient and modern debate

and in particular the theory of evolution Bennett Zon reveals that through their application of metaphorical frameworks taken from art religion and science these writers and their work shed light on nineteenth century perceptions of music history and illuminate the ways in which these disciplines affected notions of musical development **Music Marketing for the DIY Musician** Bobby Borg, 2024-05-07 Unleash your music's potential by taking charge of your career In Music Marketing for the DIY Musician industry veteran Bobby Borg provides a step by step guide to producing a fully customized low budget plan of attack for marketing one's music helping to propel independent artists and other players toward success in the new music industry This third edition provides major updates Cutting edge social media strategies Dominate TikTok master Instagram and conquer YouTube with the latest tactics to amplify your online presence Streaming secrets unveiled Unlock the gateway to playlists and skyrocket your monthly listenership with fresh insights into the streaming world Updated roadmaps for record releases Navigate your way to a triumphant album launch with foolproof strategies and revamped timelines New data analytics Learn strategies to make educated decisions about the latest music marketing Future forecasts Embrace music innovation by leveraging artificial intelligence exploring NFTs diving into the metaverse and more Written in an easy to read style this is a comprehensive resource with many templates covering the complete marketing process and time tested strategies used by the most successful companies Also included are interviews with top professionals and updated stories and case studies This indispensable book for students and professionals alike will help you perfect a complete marketing plan to achieve your ultimate career vision

Strategies of Representation in Auto/biography M. Hove, Kgomo Masemola, 2014-05-13 Strategies of Representation in Auto biography investigates how selves are represented and reconstructed in selected auto biographical readings from African literary discourse It examines how such representations confirm validate interrogate and pervade conversations with issues of identity nation and history In addition to providing an overview of the multidimensionality of auto biography the book also introduces readers to various ways of reading and analysing auto biographical writings and develops specific perspectives on the genre and views inherently expressed through the re imagined re membered and re constructed self that speaks through the pages of autobiographical scripting The focus on auto biographical writings from southern Africa specifically South Africa and Zimbabwe offers a fresh reading of the work of significant figures in the political economic and sociological spheres of these nation states This collection shows that auto biography may be more than simply the representation of an individual life and that the socio cultural memory of a people is a core aspect influencing individual self representation
