*Active Measures* Thomas Rid, 2020-04-21 This revelatory and dramatic history of disinformation traces the rise of secret organized deception operations from the interwar period to contemporary internet troll farms We live in the age of disinformation of organized deception Spy agencies pour vast resources into hacking leaking and forging data often with the goal of weakening the very foundation of liberal democracy trust in facts Thomas Rid a renowned expert on technology and national security was one of the first to sound the alarm More than four months before the 2016 election he warned that Russian military intelligence was carefully planning and timing a high stakes political campaign to disrupt the democratic process But as crafty as such so called active measures have become they are not new The story of modern disinformation begins with the post Russian Revolution clash between communism and capitalism which would come to define the Cold War In *Active Measures* Rid reveals startling intelligence and security secrets from materials written in more than ten languages across several nations and from interviews with current and former operatives He exposes the disturbing yet colorful history of professional organized lying revealing for the first time some of the century's most significant operations many of them nearly beyond belief A White Russian ploy backfires and brings down a New York police commissioner a KGB engineered anti Semitic hate campaign creeps back across the Iron Curtain the CIA backs a fake publishing empire run by a former Wehrmacht U boat commander that produces Germany's best jazz magazine Rid tracks the rise of leaking and shows how spies began to exploit emerging internet culture many years before WikiLeaks Finally he sheds new light on the 2016 election especially the role of the infamous troll farm in St Petersburg as well as a much more harmful attack that unfolded in the shadows *Active Measures* takes the reader on a guided tour deep into a vast hall of mirrors old and new pointing to a future of engineered polarization more active and less measured but also offering the tools to cut through the deception

**The Cryptopians** Laura Shin, 2022-02-22 The story of the idealists technologists and opportunists fighting to bring cryptocurrency to the masses In their short history Bitcoin and other cryptocurrencies have gone through booms busts and internecine wars recently reaching a market valuation of more than 2 trillion The central promise of crypto endures vast fortunes made from decentralized networks not controlled by any single entity and not yet regulated by many governments The recent growth of crypto would have been all but impossible if not for a brilliant young man named Vitalik Buterin and his creation Ethereum In this book Laura Shin takes readers inside the founding of this novel cryptocurrency network which enabled users to launch their own new coins thus creating a new crypto fever She introduces readers to larger than life characters like Buterin the Web3 wunderkind his short lived CEO Charles Hoskinson and Joe Lubin a former Goldman Sachs VP who became one of crypto's most well known billionaires

Sparks fly as these outsized personalities fight for their piece of a seemingly limitless new business opportunity This fascinating book shows the crypto market for what it really is a deeply personal struggle to influence the coming revolution in money culture and power

**Power to the Players** Rob Smat, 2023-11-21 The sea shanties YOLO s and red bandanas aren t even half of the GameStop story Did you know Robinhood didn t initiate their infamous trading halt Did you know why Redditors refer to 2021 as the sneeze rather than the squeeze Did you know that shares in your brokerage account might be counterfeits If not buckle up Witness firsthand the real and utterly ludicrous hivemind that brought Wall Street to its knees in January 2021 and find out why GameStop was only the beginning of an even more unprecedented retail contagion one which will challenge everything you think you know about our markets all over again If the meme mania of 2021 drew blood from Wall Street what follows is the Shakespearean realization that Reddit s blade was in fact poisoned In a digital world of frequently deleted revised and buried information accurately piecing together events as they occurred is nearly impossible Other authors and journalists have understandably struggled but not author Rob Smat who has been a witness to every part of the GameStop phenomenon having lived it himself Power to the Players is as much an unabridged history of the GameStop sneeze as it is a roadmap of how retail traders regrouped in the months and years that followed when everyone else thought the story had ended in calamity The truest of diamond hands never sold and their power has only grown stronger since Before Redditors were only a nuisance to the status quo Now they

**Makers at Work** Steven Osborn, 2013-09-27 What do you get when you combine an electronics hobbyist hacker garage mechanic kitchen table inventor tinkerer and entrepreneur A maker of course Playful and creative makers are through expertise and experimentation creating art products and processes that change the way we think and interact with the world As you ll see from the 21 interviews in Makers at Work inquisitive makers are just as apt to pick up a laser cutter or an Arduino as a wrench to fashion something new For example you ll meet Jeri Ellsworth who might provide a video lecture on magnetic logic one day and a tutorial on welding a roll bar on a stock car the next You ll also meet Eben Upton who put cheap powerful computing in the hands of everyone with the Raspberry Pi Becky Stern who jazzes up clothing with sensors and LEDs and bunnie Huang who knows the ins and outs of the Shenzhen China electronics parts markets as well as anyone As all the interviews in Makers at Work show makers have something in common reverence for our technical past coupled with an aversion to convention If they can t invent new processes or products it s simply not worth doing Crazy as foxes makers working in the spirit of Tesla Wozniak Edison Gates Musk and many others can bring sophisticated products to the people or to the market as fast or faster than large corporations And they are not just enabling new technologies and devices they are changing the way these devices are funded manufactured assembled and delivered Makers at Work puts a spotlight on the maker mindset and motivation of those who are reinventing the world one object or idea at a time You will Meet the individuals who define what it means to be a maker Learn about the tools and technologies

driving the new industrial revolution Discover ways to scale your weekend project into a profitable business See how others have used crowdfunding to make their visions a reality Learn how open source hardware and software is enabling whole new categories of products by removing barriers of entry for inventors The new masters of the Makerverse ask two questions Can it be done Is it fun As these interviews will show the answer to both questions is Let's find out *Handbook of Digital Currency*, 2015-05-05 Incorporating currencies payment methods and protocols that computers use to talk to each other digital currencies are poised to grow in use and importance The Handbook of Digital Currency gives readers a way to learn about subjects outside their specialties and provides authoritative background and tools for those whose primary source of information is journal articles Taking a cross country perspective its comprehensive view of the field includes history technicality IT finance economics legal tax and regulatory environment For those who come from different backgrounds with different questions in mind The Handbook of Digital Currency is an essential starting point Discusses all major strategies and tactics associated with digital currencies their uses and their regulations Presents future scenarios for the growth of digital currencies Written for regulators crime prevention units tax authorities entrepreneurs micro financiers micro payment businesses cryptography experts software developers venture capitalists hedge fund managers hardware manufacturers credit card providers money changers remittance service providers exchanges and academics Winner of the 2015 Outstanding Business Reference Source by the Reference and User Services Association RUSA **The Future of Writing** J. Potts, 2014-04-04 This fascinating collection draws together perspectives on the future of writing in publishing journalism and online sites Discussion ranges across the challenges and opportunities for writing and publishing in the context of new content platforms formats and distribution networks including e books online news and publishing and social media **The Literary Register: Or, Weekly Miscellany** Isaac Thompson, 1769 Business and Society Cynthia E. Clark, Kabrina K. Chang, 2025-01-07 Business and Society prepares students for the modern workplace by exploring the opportunities and challenges that individuals and businesses face in today's increasingly global and digital world The Second Edition presents unique chapters on social media big data and hacking and privacy exploring legal and ethical challenges unleashed by our society's use of and dependence on technology Understanding Contemporary Journalism Tatah Mentan, 2022-01-03 Journalism is one of the most important professions today Without it large swaths of the world similarly might have remained dark impoverished tortured because few people would have been aware of the nature and depth of the atrocities therein You can't fix what you can't find Indeed we have only to look at places today where journalists must risk their lives to do their jobs places such as Central Europe the Philippines Mexico Myanmar Russia Turkey Democratic Republic of Congo Rwanda Cameroun Afghanistan and too many others to appreciate anew what an incalculable difference the media make reporting on wars famines genocide and the tyrants who green light them But saving the world apparently is not enough I have included a chapter on Peace Journalism because it uses conflict analysis and transformation to update the concept of balance fairness

and accuracy in reporting This approach provides a new road map tracing the connections between journalists their sources the stories they cover and the consequences of their reporting the ethics of journalistic intervention to play a role in global peace rather than fuelling conflicts

**Killer Story** Matt Witten, 2023-01-17 How far will she go to catch the killer and make her podcast a hit Talented and idealistic young reporter Petra Kovach is on the brink of being laid off from her third failing newspaper in a row To save her job she pitches the launch of a true crime podcast about a sensational unsolved murder Years earlier an alt right YouTuber was killed in her Harvard dorm room and the case went cold Petra knew the victim she was once her camp counselor and loved her like a little sister despite their political differences Petra s investigation gets off to a rocky start as her promising leads quickly shrivel up In her passionate quest for justice and clicks Petra burns sources and breaks laws ultimately putting her own life on the line Even as her star rises she worries it could all come crashing down at any moment if her actions are exposed When her machinations start to backfire there s only one way to fix everything and solve the murder even though it may cost her everything she loves Perfect for fans of Karin Slaughter and Harlan Coben

**Irreversible Damage** Abigail Shrier, 2020-06-30 NAMED A BOOK OF THE YEAR BY THE ECONOMIST AND ONE OF THE BEST BOOKS OF 2021 BY THE TIMES AND THE SUNDAY TIMES Irreversible Damage has caused a storm Abigail Shrier a Wall Street Journal writer does something simple yet devastating she rigorously lays out the facts Janice Turner The Times of London Until just a few years ago gender dysphoria severe discomfort in one s biological sex was vanishingly rare It was typically found in less than 01 percent of the population emerged in early childhood and afflicted males almost exclusively But today whole groups of female friends in colleges high schools and even middle schools across the country are coming out as transgender These are girls who had never experienced any discomfort in their biological sex until they heard a coming out story from a speaker at a school assembly or discovered the internet community of trans influencers Unsuspecting parents are awakening to find their daughters in thrall to hip trans YouTube stars and gender affirming educators and therapists who push life changing interventions on young girls including medically unnecessary double mastectomies and puberty blockers that can cause permanent infertility Abigail Shrier a writer for the Wall Street Journal has dug deep into the trans epidemic talking to the girls their agonized parents and the counselors and doctors who enable gender transitions as well as to detransitioners young women who bitterly regret what they have done to themselves Coming out as transgender immediately boosts these girls social status Shrier finds but once they take the first steps of transition it is not easy to walk back She offers urgently needed advice about how parents can protect their daughters A generation of girls is at risk Abigail Shrier s essential book will help you understand what the trans craze is and how you can inoculate your child against it or how to retrieve her from this dangerous path
