American Liturgy James Calvin Davis, 2021-02-08 How can celebrating the holy days of American culture help us to understand what it means to be both Christian and American In timely essays on Super Bowl Sunday Mother's Day Independence Day Thanksgiving and other holidays of the secular calendar James Calvin Davis explores the wisdom that Christian tradition brings to our sense of American identity as well as the ways in which American culture might prompt us to discern the imperatives of faith in new ways Rather than demonizing culture or naively baptizing it Davis models a bidirectional mode of reflection where faith convictions and cultural values converse with and critique one another Focusing on topics like politics race parenting music and sports these essays remind us that culture is as much human accomplishment and gift as it is a challenge to Christian values and there is insight to be discovered in a theologically astute investment in America's holy days

Moneyball Michael Lewis, 2004-03-17 Michael Lewis's instant classic may be the most influential book on sports ever written People but you need know absolutely nothing about baseball to appreciate the wit snap economy and incisiveness of Lewis's thoughts about it Janet Maslin New York Times One of GQ's 50 Best Books of Literary Journalism of the 21st Century A Kirkus Review Best Book of the 21st Century So Far Just before the 2002 season opens the Oakland Athletics must relinquish its three most prominent and expensive players and is written off by just about everyone but then comes roaring back to challenge the American League record for consecutive wins How did one of the poorest teams in baseball win so many games In a quest to discover the answer Michael Lewis delivers not only the single most influential baseball book ever Rob Neyer Slate but also what may be the best book ever written on business Weekly Standard Lewis first looks to all the logical places the front offices of major league teams the coaches the minds of brilliant players but discovers the real jackpot is a cache of numbers collected over the years by a strange brotherhood of amateur baseball enthusiasts software engineers statisticians Wall Street analysts lawyers and physics professors What these numbers prove is that the traditional yardsticks of success for players and teams are fatally flawed Even the box score misleads us by ignoring the crucial importance of the humble base on balls This information had been around for years and nobody inside Major League Baseball paid it any mind And then came Billy Beane general manager of the Oakland Athletics He paid attention to those numbers with the second lowest payroll in baseball at his disposal he had to conduct an astonishing experiment in finding and fielding a team that nobody else wanted In a narrative full of fabulous characters and brilliant excursions into the unexpected Michael Lewis shows us how and why the new baseball knowledge works He also sets up a sly and hilarious morality tale Big Money like Goliath is always supposed to win how can we not cheer for David

Pont Marie Al Stotts, 2011-04-19 Metempsychosis refers to the passing of the soul at death into another body either human or animal At its most basic it refers to reincarnation but the theory of past lives can have overwhelming consequences especially when memories of these past lives seep into the life we currently live Just ask a

modern day middle aged New Mexico gentleman whose dreams threaten his reality According to his dreams this unassuming man was once a printer in seventeenth century Paris and then a United States senator Prior to both of these lives he was an Anasazi sun priest in the eleventh century At first it was easy to ignore his dreams However thanks to their persistence this man must come to terms with the ramifications of his past lives and how they may affect the life he currently struggles to lead Set above the backdrop of an ancient bridge in Paris Pont Marie is the narrative of places people and things once forgotten but enlivened in one mans mind How can he thrive in his current life when the past permeates his present How can he hold together relationships when ancient relationships still haunt Will his quest for closure leave him cleansed or perhaps insane
