Considering Comparison Oliver Freiberger, 2019-01-02 The comparative method is an integral part of religious studies but has been subject to criticism however including postcolonialist and postmodernist critiques Freiberger proposes a model of comparison called discourse comparison that is based on a thorough epistemological analysis and takes both the scholar's situatedness and personal agency seriously

Stumbling on Happiness Daniel Gilbert, 2006-05-02 NATIONAL BESTSELLER Bringing to life scientific research in psychology cognitive neuroscience philosophy and behavioral economics this witty accessible book reveals what scientists have discovered about the uniquely human ability to imagine the future and about our capacity to predict how much we will like it when we get there Why are lovers quicker to forgive their partners for infidelity than for leaving dirty dishes in the sink Why will sighted people pay more to avoid going blind than blind people will pay to regain their sight Why do dining companions insist on ordering different meals instead of getting what they really want Why do pigeons seem to have such excellent aim why can't we remember one song while listening to another and why does the line at the grocery store always slow down the moment we join it In this brilliant book renowned Harvard psychologist Daniel Gilbert describes the foibles of imagination and illusions of foresight that cause each of us to misconceive our tomorrows and misestimate our satisfactions With penetrating insight and sparkling prose Gilbert explains why we seem to know so little about the hearts and minds of the people we are about to become

Early Steps in Comparing East-West Economies Michael Kaser, Edward Austin Gossage Robinson, Unesco, International Economic Association, 1992-06-18 The interest of this book is that the aims of the IAE conference of 1958 can now be assessed in light of the development of the last 30 years The book itself also looks at how the IAE has attempted to promote the development of economics internationally as an intellectual discipline
