Strong from the Heart Jon Land, 2025-08-22 Caitlin Strong wages her own personal war on drugs against the true power behind the illicit opioid trade in *Strong from the Heart* the blistering and relentless 11th installment in Jon Land's award winning series The drug crisis hits home for fifth generation Texas Ranger Caitlin Strong when the son of her outlaw lover Cort Wesley Masters nearly dies from an opioid overdose On top of that she's dealing with the inexplicable tragedy of a small Texas town where all the residents died in a single night When Caitlin realizes that these two pursuits are intrinsically connected she finds herself following a trail that will take her to the truth behind the crisis that claimed 75 000 lives last year Just in time since the same force that has taken over the opiate trade has even more deadly intentions in mind specifically the murder of tens of millions in pursuit of their even more nefarious goals The power base she's up against comprised of politicians and Big Pharma along with corrupt doctors and drug distributors has successfully beaten back all threats in the past But they've never had to deal with the likes of Caitlin Strong before and have no idea what's in store when the guns of Texas come calling At the root of the conspiracy lies a cabal nestled within the highest corridors of power that's determined to destroy all threats posed to them Caitlin and Cort Wesley may have finally met their match finding themselves isolated and ostracized with nowhere to turn even as they strive to remain strong from the heart Caitlin Strong is my kind of gal Lisa Scottoline New York Times bestselling author At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

WTF Clinton Emslie, 2025-09-19 A humorous book about taking common sense off life support This collection of satirical short stories and novellas follows a dry stubborn narrator we call the Logical Mind as it wanders through today's chaos with a raised eyebrow and a pocket notebook Each piece pokes at the places where reason went missing and leaves a small marker where we might find it again Politics pop culture family group chats customer kings and online experts with diplomas from the University of Nowhere all make an appearance The tone is warm sharp and human The jokes land then the truth does You will laugh wince and recognize yourself in the best possible way Beneath the humor sits a simple invitation Let's stop pretending we are strangers Let's spot the patterns we share name the stories we tell ourselves and make one quiet repair at a time The Logical Mind is not a scold it is a companion that taps your shoulder and asks kindly Are we sure By the last page you will have met neighbors you thought you disliked found a version of yourself you forgot to root for and felt a nudge to do one practical decent thing before bed Read for the wit stay for the recognition leave with a plan to be slightly braver and a lot more honest tomorrow
