Report to Congress of the U.S.-China Economic and Security Review Commission U.S.-China Economic and Security Review Commission,2014 Inclusiveness Beyond the (Non)binary in Romance Languages Gláucia V. Silva,Cristiane Soares,2024-04-10 Inclusiveness Beyond the Non binary in Romance

Languages Research and Classroom Implementation explores both research and best practices related to inclusive language so that all students regardless of gender identity may be active participants in their language learning communities Given the binary nature of Romance language grammars it is essential that scholarly inquiry into issues related to non binarism be further developed and become more visible and this volume aims to embed the issue of linguistic inclusivity within broader conversations surrounding social justice to ensure that conversations do not stop with mere linguistic changes The book is divided into two parts the first focuses on research related to inclusive and nonbinary forms in Romance languages while the second highlights teaching practices and encompasses inclusive approaches that go beyond the nonbinary Although the volume focuses on Romance languages most if not all of the content is applicable to other linguistic contexts This volume also goes beyond issues of gender inclusivity and includes content that leads to a reflection on issues of equity and social justice more broadly This edited volume is a resource for scholars whose research focuses on inclusive language and for educators who are interested in learning more about why and how to foster inclusiveness in their language classrooms and in their workplaces
