Encyclopedia of Sports Management and Marketing Linda E. Swayne,Mark Dodds,2011-08-08 This four volume set introduces on the management side principles and procedures of economics budgeting and finance leadership governance communication business law and ethics and human resources practices all in the sports context On the marketing side this reference resource explores two broad streams marketing of sport and of sport related products promoting a particular team or selling team and sport related merchandise for example and using sports as a platform for marketing non sports products such as celebrity endorsements of a particular brand of watch or the corporate sponsorship of a tennis tournament Together these four volumes offer a comprehensive and authoritative overview of the state of sports management and marketing today providing an invaluable print or online resource for student researchers *Astros and Asterisks* Jonathan Silverman,2023-07-18 An in depth and multiperspectival look at the Astros sign stealing scandal and its roots in the culture of baseball fandom In 2017 the Houston Astros won their first World Series title a particularly uplifting victory for the city following Hurricane Harvey But two years later the feel good energy was gone after The Athletic revealed that the Astros had stolen signs from opposing catchers during their championship season perhaps even during the playoffs and World Series Their methods were at once high tech and crude staff took video of opponents pitching signals and transmitted the footage in real time to the Astros dugout where players banged on trash cans to signal to their teammates at bat which pitches were coming their way Wry observers labeled them the Asterisks pointing to the title that no longer seemed so earned Astros and

Asterisks examines the scandal from historical journalistic legal ethical and cultural perspectives Authors delve into the Astros winning above all attitude cultivated by a former McKinsey consultant the significance of hiring a pitcher recently suspended for domestic abuse the career ending effects of the Astros transgression on opposing players and the ethically fraught choices necessary to participate in sign stealing Ultimately it links the Astros choices to the sporting world s obsession with analytics What emerges is a sobering tale about the impact of new technology on a game whose romanticized image feels increasingly incongruous with its reality in the era of big data and video
