Management Communication James S. O'Rourke, 2019-04-18 This textbook introduces students to the strategic communication methods that are crucial to master in order to develop into effective and ethical managers at all levels of business. Effective communication skills are necessary for success in the business world and O'Rourke has written a highly readable book filled with anecdotes and examples to engage students in the learning process. This edition includes several classic and new features. The strategic approach is integrated throughout the book, allowing students to understand how a communicated message impacts the business as a whole. Case studies throughout the book provide students with hands-on experience of scenarios they will encounter in the real world. The book includes at least three dozen fresh classroom-tested cases. An ethical thread is woven through the text, demonstrating how ethical decision making can be applied in all aspects of communication. Separate chapters on technology, including social media, intercultural communication, nonverbal communication, and conflict management, provide students with the skills to building relationships and influencing stakeholders, key skills for any manager. A companion website includes comprehensive support material to teach this class. **Teach Yourself WebTV** Erica Sadun, Dennis R. Cohen, 2000-03-17 Watch your PC's monitor or watch TV. Using the Teach Yourself method, this edition includes step-by-step instruction and the visuals you need to quickly master WebTV basics. After you power up your first WebTV unit with this proven tutorial, soon you'll be navigating the Web, editing text, filling out forms, and sending e-mail by your television's remote or your unit's keyboard. You'll make the most of WebTV when you visit news and entertainment centers and, of course, watch TV. If you find that surfing the Web is more comfortable from your sofa, WebTV and its communities are the right choice for you. **Mecklermedia's Official Internet World** Marshall Breeding, 1995-11 A comprehensive guide to more than 5,000 World Wide Web sites.
