Brands and Their Companies ,2003 **Writers' Handbook 2025** J. Paul Dyson,2024-12-15 The 2025 edition of
firstwriter com s annual directory for writers is the perfect book for anyone searching for literary agents book publishers or
magazines It contains over 1 500 listings including revised and updated listings from the 2024 edition and over 300 brand
new entries Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed
index and unique paragraph numbers to help you get to the listings you re looking for The variety of tables helps you
navigate the listings in different ways and includes a Table of Authors which lists over 6 000 authors and tells you who
represents them or who publishes them or both The number of genres in the index has expanded to over 900 So for example
while there was only one option for Romance in previous editions you can now narrow this down to Historical Romance
Fantasy Romance Supernatural Paranormal Romance Contemporary Romance Diverse Romance Erotic Romance Feminist
Romance Christian Romance or even Amish Romance The new edition includes Over 650 literary agents and agencies Over
450 magazines and Over 500 publishers that don t charge fees International markets become more accessible than ever with
listings that cover both the main publishing centres of New York and London as well as markets in other English speaking
countries With more and more agents publishers and magazines accepting submissions online this international outlook is
now more important than ever There are no adverts no advertorials and no obscure listings padding out hundreds of pages
By including only what s important to writers contact details for literary agents publishers and magazines this directory is
able to provide more listings than its competitors at a lower price The book also allows you to create a subscription to the
firstwriter com website for free until 2026 This means you can get free access to the firstwriter com website where you can
find even more listings and also benefit from other features such as advanced searches daily email updates feedback from
users about the markets featured saved searches competitions listings searchable personal notes and more I know firsthand
how lonely and dispiriting trying to find an agent and publisher can be So it s great to find a resource like firstwriter com
that provides contacts advice and encouragement to aspiring writers I ve been recommending it for years now Robin Wade
