Sight Words & Phonics - Book 3 (121-170 Dolch Sight Words) Gr. JK-1, 200 Fundamental Sight Words Workbook for Kids Learning to Write and Read Isabela & Buzzy, 2021-09-14 Did you know that sight words comprise 80% of the words you would find in a typical children's book? Buy today and improve your child's communication skills with this wonderful 200 Fundamental Sight Words Workbook. Certainly, learning to write and read is one of the most important steps when it comes to developing the ability to communicate properly. Writing isn't only about expressing ideas in the text but also about thinking skills. It develops a strong bond between brain and hand and helps with memorizing more words. On the other hand, reading means knowledge and vocabulary expansion, improving focus and concentration. I can't stress enough how important these two abilities are for your kids. This is why you need to know about our book. It includes 200 Sight Words from the well-known Dolch and Fry high frequency word lists. This workbook comes with visual instructions, sight words, and then sentences so that kids can understand the words contextually and an image to emphasize them. Because we want the children to have a sense of accomplishment as they go through the book, we have decided to build it gradually with instructions at every step. The book begins with a short recapitulation of the alphabet. The kids can trace and practice uppercase and lowercase letters. Then we move to sight words. Children are asked to recognize the word, read, and then trace the sentence and, of course, practice on their own. To help them enjoy the process of learning, we have added images also that can be colored. The goal is for these words to be recognized immediately. Only after this, kids can read more fluently and speed up the process of learning a language and that is because they can focus their attention on

other words that are more difficult and challenging It will be much easier to learn more complex words once these essential sight words are mastered We have divided the book into four sections as follows PART 1 Writing Uppercase and Lowercase letters PART 2 Writing 1 2 letter words PART 3 Writing 3 letter words PART 4 Writing 4 letter words PART 5 Writing 5 6 letter words This activity book features High quality glossy cover with gorgeous design Improves your child s motor control It helps them to focus on details Teaches the child to read write and comprehend each sight word Includes visual instructions The increasing difficulty fun and interesting 8 5 x 11 book suitable for kids This workbook is part of the Isabela Buzzy series which is ideal for kids of preschool kindergarten and primary school who want to perfect their writing skills Our books are designed progressively from tracing lines circles curves letters and numbers to easy first words sight words and simple sentences Although our books have very clear instructions at every step guidance from a parent teacher or caregiver is required to help the child Buy today and get your little one on the path to success *Sight Words & Phonics - Book 4 (171-220 Dolch Sight Words) Gr.
