READING COMPREHENSION

HISTORY OF STREAMING

Streaming is a way to watch movies, listen to music, and watch live events. It's a way to watch something that's happening right now, but you don't have to watch it all at once. You can watch it whenever you want, and you can watch it on any device. Streaming is a way to watch something that's happening right now, but you don't have to watch it all at once. You can watch it whenever you want, and you can watch it on any device.

Streaming is the process of playing media in real-time directly from the internet to and from, without downloading it first. Instead of waiting for a movie to finish downloading, you can watch it as soon as it's available. Streaming is a way to watch something that's happening right now, but you don't have to watch it all at once. You can watch it whenever you want, and you can watch it on any device.

The idea of streaming began in the 1990s when people started to watch live events on the internet. At that time, the internet was slow, and people had to wait for a movie to finish downloading before they could watch it. Streaming is a way to watch something that's happening right now, but you don't have to watch it all at once. You can watch it whenever you want, and you can watch it on any device.

By the late 1990s and early 2000s, streaming became more popular. People started to watch live events on the internet, and they started to watch movies and TV shows. Streaming is a way to watch something that's happening right now, but you don't have to watch it all at once. You can watch it whenever you want, and you can watch it on any device.
