"I Have Nothing to Hide" Heidi Boghosian, 2021-07-13 An accessible guide that breaks down the complex issues around mass surveillance and data privacy and explores the negative consequences it can have on individual citizens and their communities No one is exempt from data mining by owning a smartphone or using social media or a credit card we hand over private data to corporations and the government We need to understand how surveillance and data collection operates in order to regain control over our digital freedoms and our lives Attorney and data privacy expert Heidi Boghosian unpacks widespread myths around the seemingly innocuous nature of surveillance sets the record straight about what government agencies and corporations do with our personal data and offers solutions to take back our information I Have Nothing to Hide is both a necessary mass surveillance overview and a reference book It addresses the misconceptions around tradeoffs between privacy and security citizen spying and the ability to design products with privacy protections Boghosian breaks down misinformation surrounding 21 core myths about data privacy including Surveillance makes the nation safer No one wants to spy on kids Police don't monitor social media Metadata doesn't reveal much about me Congress and the courts protect us from surveillance There's nothing I can do to stop surveillance By dispelling myths related to surveillance this book helps readers better understand what data is being collected who is gathering it how they're doing it and why it matters

A Philosophy of Communication of Social Media Influencer Marketing Kati E. Sudnick, 2023-11-28 Social media influencer marketing emerged in Web 2.0 as a new form of celebrity endorsement in which the Internet famous create word of mouth marketing for brands and organizations on their personal social media pages blurring the line between organic and sponsored content for their followers This book explores social media influencer marketing through the lens of philosophy of communication with a praxis centered approach Kati E. Sudnick utilizes a multitude of theoretical touchstones including Christopher Lasch's narcissistic culture Marshall McLuhan's global village Daniel Boorstin's human pseudo event Jacques Ellul's propaganda and the interplay between charismatic leadership and parasocial relationships in order to consider consequences surrounding Hannah Arendt's social condition which appears in hyper form within social media influencer marketing as a major integrated marketing communication tool Sudnick applies these concepts to three major case studies surrounding Audible BetterHelp and Fyre Festival drawing implications and conclusions for this integrated marketing communication tactic in an era entrenched within the banality of the social Ultimately the author argues for a more aware and conscientious public when it comes to engaging with influencers online Scholars of communication philosophy and media studies will find this book of particular interest

Media Literacy in Action Renee Hobbs, 2024-10-14 There's never been a more important time for students to develop media literacy competencies When students ask critical questions about the media they consume they develop fundamental knowledge and critical thinking skills that prepare them for life work and meaningful citizenship Media Literacy in Action addresses learners who are simultaneously active as both creators and

consumers of media messages At the same time the book recognizes that everyone is vulnerable to media influence because of our dependence on the instant gratification and feelings of connectedness that digital platforms provide To thrive in a media saturated society people need to ask critical questions about what we watch see listen to read and use This book gives students those tools Key features of the second edition Critical examination of AI technologies algorithmic personalization data privacy and surveillance and the increased global regulation of digital platforms Attention to media literacy for empowerment and protection Inquiry oriented approach to learning that cultivates intellectual curiosity and creative expression Full color presentation with figures and photos to increase student engagement Each chapter includes Media Literacy Trailblazers Profiles of key thinkers and their theories connect students with the discipline of media literacy Media Literacy DISCourse NEW Visual representations of media literacy theoretical principles help learners internalize the practice of asking critical questions as they respond to specific media examples Learning in Action NEW Summary and vocabulary sections combine with Analyze Create Reflect and Act activities to empower students to apply ideas from each chapter Supplemental Materials available at www.mlaction.com Students can review key ideas learn about more Media Literacy Trailblazers and watch videos aligned with each chapter Instructors can access a Teacher's Guide of best practices in class activities homework and projects Also available are chapter summaries lecture slides YouTube playlists and test materials

Social Media Strategy Keith A. Quesenberry, 2020-08-14 This book is a blueprint for the practice of marketing communications advertising and public relations in a digital world where the consumer has taken control **The Emerald Handbook of Computer-Mediated Communication and Social Media** Jeremy Harris Lipschultz, Karen Freberg, Regina Luttrell, 2022-06-27 Uniquely relating social media communication research to its computer mediated communication foundation as well as digital and emerging media trends this handbook is an indispensable resource whether you're a graduate student or a seasoned practitioner *Theological Discourses on Social Media* Christopher B. Barnett, Clark J. Elliston, Trevor B. Williams, 2025-08-29 Theological Discourses on Social Media will examine ten different social media platforms across three overarching parts The task throughout is first to delineate the configuration and intent of a given form of social media and second to probe its implications for theology On the whole the volume will focus on the Judeo Christian tradition though dialogue with and insight from other religious traditions will also be featured The upshot will be a unique theological engagement with the defining issue of our era a work that will be as relevant as it will be engrossing Featuring contributions from leading scholars it will be a must read for all students of theology religion and media and cultural studies

October 7th: Searching for the Humanitarian Middle Marsha Lederman, 2025-08-19 In this emotional missive from the diaspora Globe and Mail columnist Marsha Lederman gathers her columns searching for the humanitarian middle of the Israel Palestine conflict Since 2023 the best selling and award winning author and journalist has been reflecting with deep empathy on the horrific October 7th attacks on Israeli citizens rising anti-Semitism and the brutal violence against civilians in

Gaza in her column for the Globe and Mail As one of the leading Canadian voices on Jewish identity Lederman's impassioned work in the Globe has been a lifeline for readers since October 7th 2023 The work collected in this book captures the pain of so many Marsha's prose has a way of cutting through the noise and capturing the humanity behind the headlines She makes room for the reader to be conflicted grieving angry and unsure and is with them through that process as she like all of us grapples with a new reality As someone who is firmly against Netanyahu and firmly in favour of Palestinian rights believes in a two state solution and is a daughter of Holocaust survivors terrified by the rise in anti-Semitism Marsha's writing has captured the full complexity of the experience of reconciling an abhorrence of the violence against Israelis and Palestinians with the trauma and fear of rising prejudice around the world These columns are a contemporaneous look at the year that followed Oct 7th 2023 reminding us of the pain and confusion This collection is a crucial archive capturing in real time a period of deep division with care empathy and grief

Under Assault Dennis Molinaro, 2025-11-18 FOREWORD BY CHERIE WONG National security expert Dennis Molinaro reveals the shocking details of Beijing's five decades long effort to influence and interfere in Canadian political life From cultivating future political leaders at the end of the Cultural Revolution to the foreign interference scandals that have shaken present day Ottawa this definitive book addresses one of the most urgent issues of our time Amidst heightened tensions between Western nations and China Canadians have found themselves astonished by hostage crises cyberattacks harassment of members of our government and theft of intellectual property worth untold billions of dollars Guided by Molinaro's experience as a historian and China specialist *Under Assault* focuses on the actions of the People's Republic of China's government and its governing party the Chinese Communist Party against Canada during the past fifty years From Prime Minister Pierre Elliott Trudeau's earliest journeys through the Middle Kingdom prior to his election to Parliament in the 1960s the communist government of the PRC has perceived Canada as a staging ground for spying on and pressuring its ultimate target the United States When Canada's first tech giant Nortel was plundered of intellectual property by digital spies while Canada was manipulated into advocating against the independence of Taiwan and as Chinese Canadians were targeted in the country where they thought they'd escaped Mao's terrors Canada's leaders have too often seen only what they want to see in China an emerging market of inestimable value and fertile soil for democratic change for a long tyrannized people Generations of Communist leadership have gladly allowed Canada's government to labour under these misapprehensions even when the evidence of China's spying theft and harassment of Canadian citizens has been happening right before its eyes Canada has rarely allowed itself to believe what the rest of the world has long understood Informed by numerous interviews with generations of Canadian politicians diplomats and bureaucrats members of diaspora communities targeted by China who have endured this harassment for too long as well as by new revelations from recently declassified CSIS documents *Under Assault* is a timely eye opening account of a country compromised by its own illusions in a time of rising global conflict and a burgeoning new world order
