Every Screen on the Planet Emily Baker-White, 2025-09-30 The story of the most

effective attention algorithm ever invented and the superpower struggle to control it Every Screen on the Planet is the first major book on one of the most dramatic business stories of our time Touching on politics finance data and technology the struggle over TikTok has enormous implications for our information landscape and the technological cold war between the United States and China Emily Baker White s engrossing narrative charts TikTok s rise from obscurity into the world s most valuable startup led by its ambitious founder Zhang Yiming arguably the father of the modern recommendation algorithm Zhang s products reshaped the global internet from a place where you searched for information to one where information came to you TikTok seemed to know its users in an almost spooky way provoking wonder and delight People were hooked We intend to become ubiquitous a new hire training video said to put TikTok on every screen on the planet But virtually everything about TikTok s users their interests locations and even their unspoken desires was accessible to staff in Beijing After Baker White a Harvard trained lawyer and investigative reporter revealed that Chinese engineers could access Americans private information a team of employees used the app to track her location and attempt to expose whistleblowers This incident triggered an ongoing criminal investigation and escalated the US government s fight against Chinese tech TikTok was the first Chinese app to become a US juggernaut and lawmakers soon recognized its potential for surveillance and propaganda and the threat it might pose in the hands of their rivals Yet even as hawks in Congress gained support to ban the app the White House was secretly negotiating for unprecedented control over its information stream In 2025 when President Donald Trump declined to enforce the so called ban law TikTok seemed to complete a miraculous corporate escape It retained its influence profits and power but now operated at the pleasure of two strongmen China s Xi Jinping and Trump himself

The Love Deal Misha Bell, Anna Zaires, Dima Zales, 2023-05-16 Honey Hyman do NOT call her hon is all leather piercings and tattoos And yes she may be just a tad deal obsessed but who isn t It s not like her using coupons is stealing from anyone unless of course those coupons are the fakes she created to help her elderly neighbors afford groceries from the Munch Crunch the uber expensive supermarket that s replaced their local grocery store It really isn t fair for her to go to jail Or to be blackmailed into working for the Munch Crunch CEO whom she s supposedly defrauded a CEO who turns out to be none other than Gunther Ferguson her high school crush who once ruined both her school record and her life Let the war begin
