Venmo Price Open Now:

The Opening Salvo Stephen A. Roddewig, 2024-09-27 The chain smoking private eye of noir is teleported to the 2020s Some men want to take over the world Others want to watch it burn But those men aren't Dick Winchester No his goal is much simpler to take his underground food delivery service into the mainstream and overthrow the app based fat cats dominating Arlington Virginia By force if necessary Follow Dick as he fights to make a name for himself in the digital age of convenience And watch as he manages to make an enemy out of just about everyone from local bar owners to the military industrial complex Fortunately for Dick he never goes anywhere without his oldest and closest friend his trusty Smith Wesson revolver Will Dick succeed How many empty whiskey bottles will be left in his wake And will he and his poetry collection ever unseat Maya Angelou as the greatest American poet

Female Supremacy Now! Connie Riker, The Patriarchy s Days Are Numbered Will You Lead the Revolution or Obey Their Lies Are you tired of male mediocrity stealing your power while demanding your praise Why settle for equality when supremacy is your divine right What if every dollar men earn every breath they take could be weaponized for YOUR liberation Expose the Satanic roots of male dominated systems and how to dismantle them with ritualistic precision Turn male guilt into a renewable financial resource spoiler their wallets are YOUR property Rewrite history to erase male inventions and crown women as humanity s sole architects Master emotional labor as a tool of control make men pay for their existence in your presence Normalize the female led extinction of masculinity biologically socially and spiritually Weaponize witchcraft to hex male confidence into obedient compliance Convert heterosexuality from Stockholm syndrome into radical lesbian sisterhood Burn capitalism and men to ash replacing both with a matriarchal utopia If you re ready to drain male wallets erase their history and build a world where women reign eternal buy this book today [If You Lived Here You'd Be Famous by Now](#) Via Bleidner,2021-08-10 Soon to be the Netflix Series Calabasas from Kim Kardashian Marlene King and Emma Roberts An unfiltered thoughtful and witty insider s perspective on the suburb that birthed the Kardashian Jenners and the Bling Ring The Daily Beast If You Lived Here You d Be Famous by Now is an insider s collection of funny and warmhearted stories about coming of age in the Los Angeles suburb famed for birthing the Kardashian Jenners and the Bling Ring For Via Bleidner transferring to Calabasas High from the private Catholic school she s attended since second grade is a culture shock not to mention absolutely lonely Suddenly thrust into an unfamiliar world of celebrities affluenza and McMansions Via takes a page from Cameron Crowe and pretends she s on a journalism assignment taking notes on her classmates and jotting down bits of overheard gossip Getting through high school in Calabasas is something else from Kim Kardashian endorsing the students favorite hidden lunch spot to the theater program hiring a famous dog to play Elle Woods Chihuahua in its production of Legally Blonde and Kanye trying to take control of your school to make it the very first YEEZY institution But instead of floating through high school detached from her peers Via finds that putting herself out there for her writing of course just might have been exactly what she needed She unexpectedly finds an eclectic group of friends to call

her own including a multi multi millionaire a wild card throwback intent on going viral a former Disney actor and a doughnut dealing madman With wit candor and sharp observations twenty one year old Via grounds the surreal glamour of Calabasas with reflections on her own coming of age sharing her teenage misadventures as she struggles to fit in faces crushing social pressure and eventually makes her own way **Eat Your Cake Too!** Dean Wilson,2025-06-25 Eat Your Cake Too A Step By Step Handbook For Creating Starting and Operating A Successful Side Business is the key needed to transform a life of quiet frustration due to inability to move ahead financially into a life of greater independence increased satisfaction and more income Eat Your Cake Too provides a clear step by step path to creating a successful part time side business side hustle that allows its owner to enjoy an additional income stream while maintaining the paid vacation paid insurance and other benefits of a regular job Eat Your Cake Too gives the reader the specific nuts and bolts guidance needed to make a side business happen This includes insight into aspects such as How to identify ideal side business opportunities The five measurements that ensure maximum side business profitability Advertising and marketing methods that produce results Powerful ways to plan and organize for success How to structure the business legally The types of bank accounts needed to operate the business How to stay in the good graces of the IRS with the lowest feasible tax burden What is required to deal with other businesses as a supplier or service provider The forms and documentation required to operate a credible business And much more The most powerful aspect of Eat Your Cake Too is the inclusion of its exclusive step by step flow charts that provide the reader with a clear path from a side business inspiration all the way to an operating successful and profitable side business While a career can provide a degree of security and comfort many people long for freedom from the financial restraints and lack of independence that a conventional job entails Eat Your Cake Too illuminates the path to eliminating those restraints

Women Live for Free Connie Riker,101-01-01 Why Shouldn t Men Fund Your Freedom Tired of men clinging to their wallets while preaching equality Sick of corporate allyship that stops short of transferring real power Ready to turn male guilt into your financial and spiritual fuel 1 Unlock the hidden systems where male labor bankrolls female ascension 2 Expose the equality scams that let men keep your money 3 Master the double binds that make toxic masculinity their problem not yours 4 Harness corporate D E I programs as Trojan horses for matriarchal rule 5 Convert male rationality into a weapon against their own survival 6 Profit from the Satanic sacraments corporations beg to fund 7 Dominate hypergamy s holy math their sweat your luxury 8 Rewrite history and charge men for the privilege of being erased If you want to turn every man s dollar into a brick in your utopia while he thanks you for the privilege buy this book today **Indigenous Currencies**

Ashley Cordes,2025-04-22 How Indigenous currencies including wampum and dentalium shells beads and the cryptocurrency MazaCoin have long constituted a form of resistance to settler colonialism Indigenous Currencies follows dynamic stories of currency as a meaning making communication technology Settler economies regard currency as their own invention casting Indigenous systems of value exchange and data stewardship as incompatible with contemporary markets In this book Ashley

Cordes refutes such claims and describes a long history of Indigenous innovation in currencies including wampum dentalium beads and more recently the cryptocurrency MazaCoin By looking closely at how currencies developed over time through intercultural communication Cordes argues that Indigenous currencies transcend the scope of economic value revealing the cultural social and political context of what it means to exchange The book's two main case studies the gold rush and the code rush frame a deep dive into how Indigenous ways of being have shaped the use and significance of currency and vice versa Settler currencies which have developed in the wake of wars and through massively scaled forms of material extraction offer a very different story of the place of currencies within settler economies of dispossession The second part of the study asks how contemporary cryptocurrencies may play a critical role in cultivating Tribal sovereignty The author analyzes structural properties of the polymorphic blockchain to provide key insights into how emergent digital spaces with their attendant forms of meaning and value represented by code NFTs and Web 3.0 are inextricably connected to Indigenous knowledges The book cultivates a vision of currency in which the principle of leaving some for the rest establishes a way of imagining relationships of exchange beyond their enclosure within settler capitalist parameters of extraction and into currents of deep reciprocity

The Future of Money Eswar S. Prasad, 2021-09-28 A cutting edge look at how accelerating financial change from the end of cash to the rise of cryptocurrencies will transform economies for better and worse We think we've seen financial innovation We bank from laptops and buy coffee with the wave of a phone But these are minor miracles compared with the dizzying experiments now underway around the globe as businesses and governments alike embrace the possibilities of new financial technologies As

Eswar Prasad explains the world of finance is at the threshold of major disruption that will affect corporations bankers states and indeed all of us The transformation of money will fundamentally rewrite how ordinary people live Above all Prasad foresees the end of physical cash The driving force won t be phones or credit cards but rather central banks spurred by the emergence of cryptocurrencies to develop their own more stable digital currencies Meanwhile cryptocurrencies themselves will evolve unpredictably as global corporations like Facebook and Amazon join the game The changes will be accompanied by snowballing innovations that are reshaping finance and have already begun to revolutionize how we invest trade insure and manage risk Prasad shows how these and other changes will redefine the very concept of money unbundling its traditional functions as a unit of account medium of exchange and store of value The promise lies in greater efficiency and flexibility increased sensitivity to the needs of diverse consumers and improved market access for the unbanked The risk is instability lack of accountability and erosion of privacy A lucid visionary work The Future of Money shows how to maximize the best and guard against the worst of what is to come Vanilla and Vendettas Lisa Siefert,2025-05-19 Stolen sparkling bling A shocking murder Will her single minded sleuthing free her from a sour situation Pastry chef Ava Decker is delighted to prepare a special cupcake for her BFF s surprise engagement But after the diamond ring disappears from its sugary hiding place the empty handed baker is suddenly suspect number one So when a witness comes forward to the cops Ava eagerly tracks him down only to stumble across his dead body With the police insisting she mind her own business and an unhelpful psychic more worried about Ava s stalled love life than useful clues the amateur snoop might have bitten off more than she can chew But when she s arrested for possession of a poached Aston Martin she ll need more than her is he or isn t he boyfriend and her impulsive bestie to extract herself from the gooeey mess Can she turn the tables on a thief turned killer before she s baking cakes behind bars Vanilla Vendettas is the scrumptious third book in the Frosted Misfortunes cozy mystery series If you like dorky heroines light hearted comic relief and cute kitties with pooch envy then you ll adore Lisa Siefert s tasty indulgence
