Sports, Exercise, and Fitness Mary Beth Allen, 2005-03-30 For reference librarians and researchers seeking information on sports and fitness this guide is an important first stop For collection development specialists it is an invaluable selection guide Allen describes and evaluates over 1 000 information sources on the complete spectrum of sports from basketball football and hockey to figure skating table tennis and weight training Focusing on English language works published between 1990 and the present the guide thoroughly covers traditional reference sources such as encyclopedias and bibliographies along with instructional sources in print formats online databases and Web sites To enable users in search of information on specific sports or fitness activities chapters are organized thematically according to broad type aquatic sports nautical sports precision and accuracy racket sports ice and snow sports ball sports cycling and so on with subcategories for such individual sports as soccer golf and yoga Within these categories works are further organized by type reference instructional and Web sites

The Author's Companion: A Concise Guide To Writing And Publishing A Book Ranjan Mohapatra, 2023-07-30 The Author's Companion is a concise guide that has been designed to help authors at all stages of their writing journey It originated as a resource for our publishing company's author base Initially intended for internal use we realised it had the potential to benefit the wider author community Unlike motivational books that simply inspire you to write The Author's Companion delves into practical techniques exercises and approaches that assist in crafting

a compelling book Backed by data driven analysis it offers valuable insights that will help you understand both the publishing industry and your target audience By highlighting common mistakes made by authors during the writing and publishing processes this book equips you with the knowledge to avoid these pitfalls and succeed in the literary world Benefit from the wealth of experience gained from publishing over 2500 books In the era of self publishing the absence of editorial gatekeepers has affected the overall quality of books being released Countless books are published every day but only a select few truly achieve success Hence The Author s Companion addresses two distinct groups of authors those with good content but lacking experience in writing or publishing those with poor content due to a lack of writing skills It serves as a guiding light for both these groups of authors providing them with invaluable support and expertise For authors new and experienced this book will indeed serve as a companion on their journey towards publishing best sellers **Fitness Over 40**
