The return of the housewife Emma Casey, 2025-04-08 An illuminating look at the world of cleanfluencers that asks why the burden of housework still falls on women Housework is good for you Housework sparks joy Housework is beautiful Housework is glamorous Housework is key to a happy family Housework shows that you care Housework is women s work Social media is flooded with images of the perfect housewife TikTok and Instagram cleanfluencers produce endless photos and videos of women cleaning tidying and putting things right Figures such as Marie Kondo and Mrs Hinch have placed housework with its promise of a life of love and contentment at the centre of self care and positive thinking And yet housework remains one of the world s most unequal institutions Women especially poorer women and women of colour do most low paid and unpaid domestic labour In *The return of the housewife* Emma Casey asks why these inequalities matter and why they persist after a century of dramatic advances in women s rights She offers a powerful call to challenge the prevailing myths around housework and the naturally competent woman homemaker

Return to the Big Fancy Freeman Hall, 2012-09-18 Bigger Fancier and more cutthroat than ever When Freeman Hall left *The Big Fancy* to pursue his screenwriting dreams he thought the horrors of working in a handbag department were finally over But instead of fame and fortune he found himself stuck behind a wall of script killing rewrites unable to make a living In *Return to the Big Fancy* Freeman shares his wildly entertaining journey back through the fiery gates of Retail Hell He thought he had seen it all in his day but with the bar set higher than ever before employees are now graciously bowing before Corporate as they climb over fellow salespeople and even friends to earn enough transactions and

commissions to actually survive As he learns more of the wretchedness that has befallen the sales floor he realizes that The Big Fancy has its customers and its employees on a short leash But leave it to Freeman and the threat of disappearing commissions to rally the retail slaves and show Corporate who s really in charge

[The Importance of Small Decisions](#) Michael J. O'Brien,R. Alexander Bentley,William A. Brock,2019-03-12 How people make decisions in an era of too much information and fake news Humans originally evolved in a world of few choices Prehistoric preindustrial and predigital eras required fewer decisions than today s all access always on world of too much information Economists have largely discarded the idea that agents act rationally and the market follows suit It seems that no matter how small or innocuous a decision might seem there s almost no way to guess the effect it might have The authors of The Importance of Small Decisions view decisions and their outcomes from a different perspective as key elements in the evolution of culture In this trailblazing book they examine different kinds of decisions and map the outcomes both short and long term Drawing on this they introduce a map of social behavior that captures the essential elements of human decision making The authors look at the New England Patriots decision in 2000 to draft an underachieving college quarterback named Tom Brady they consider Warren Buffett s investment strategy and they chart the dancing landscape of a college applicant s decision making environment Finally they show that decisions can be ranked according to transparency of choice and social influence When fake news seems indistinguishable from real news and when the internet offers a cacophony of voices they warn we can t afford to

crowdsource our decisions **Return to Black Bayou** Carla Cassidy,2025-01-27 Revisit this cozy murder mystery previously published as *Unsolved Bayou Murder* by New York Times bestselling author Carla Cassidy Fifteen years ago Beau Boudreau was wrongly accused and charged of murder losing not only his reputation and freedom but also his relationship with defense attorney Peyton LaCroix Now free from prison Beau is ready to clear his name and he needs the best ally on Black Bayou on his side As Beau convinces Peyton of his innocence and they work together on his case sparks of attraction reignite between them But with a killer on the loose and all odds against them will they be able to reveal the real identity of the murderer before a second strike For fans of thrillers with New Orleans Bayou Cold case mysteries *Killers on the Loose The Swamp Slayings Return to Black Bayou Found in Black Bayou Blood on Black Bayou* *Black's Guide to Warwickshire* Adam and Charles Black (Firm),1892 **Wasted** Byron Reese,Scott Hoffman,2021-06-01 Wasted is a riveting exploration of the complicated and often surprising ways that waste occurs in our businesses our communities and our lives A smart unconventional book that takes readers far beyond what they think they know about a complex subject Kari Byron former cast member of MythBusters Waste We spend a great deal of energy trying to avoid it but once you train your eyes to look for it you'll see it all around you in your home your business and your everyday life In Wasted futurist Byron Reese and entrepreneur Scott Hoffman take readers on a fascinating journey through this modern world of waste drawing on science economics and human behavior to envision what a world with far less of it or none of it at all might look like Along the way they explore thought provoking issues such as why the United States got a higher proportion of its energy from renewable sources in 1950 than it does today whether the amount of gold in unused mobile phones can be extracted for profit how switching to water fountains on a single route from Singapore to Newark could prevent the use of 3 400 plastic bottles on each flight whether the amount of money you save buying goods in bulk is offset by the amount you lose when some spoil Ultimately the question of reducing waste is scientific philosophical and most of all complex According to Reese and Hoffman the rush toward simple answers has often led to well meaning efforts that cause more waste than they save The only way we can hope to make progress is to treat waste as the complicated issue it is While the authors don't promise easy answers in this compelling book they take an important step toward solutions by examining the questions at play giving actionable steps and ensuring that you'll never see the world of waste the same way again **African Americans in the Performing Arts** Steven Otfinoski,2010 Provides short biographies of African Americans who have contributed to the performing arts **Black's Guide to Ireland** Adam and Charles Black (Firm),1902
