S. Houde, 2011-12-27 Traditional thinking is as the statistics show that men and their behaviors seems to be the major issue that is causing this problem of sexual harassment and that women are for the majority of the cases the victims of sexual harassment So what are men to do to overcome this unfortunately accurate stereotype Simple men need a guide book a book that is written in a way they can understand This book needs to be formatted in an easy to read and understand way with simple and basic rules that can guide them through their issues they may be having with the women they work with This book also needs to be written by someone with real man clout not some woman professor at some university no one has ever heard of No the writer of this book needs to be experienced practical and above all manly in a macho sense I have written such a book

The Southern Book Club's Guide to Slaying Vampires Grady Hendrix, 2020-04-07. The New York Times Best Seller. A Barnes & Noble Best Fiction Book of 2020. A Goodreads Choice Awards Finalist. Steel Magnolias meets Dracula in this 90s-set horror novel about a women's book club that must do battle with a mysterious newcomer to their small Southern town. Perfect for murderinos and fans of Stephen King. Patricia Campbell's life has never felt smaller. Her husband is a workaholic, her teenage kids have their own lives, her senile mother-in-law needs constant care, and she's always a step behind on her endless to-do list. The only thing keeping her sane is her book club, a close-knit group of Charleston women united by their love of true crime. At these meetings, they're as likely to talk about the Manson family as they are about their own families. One evening after book club, Patricia is viciously attacked by an elderly neighbor bringing the neighbor's handsome nephew, James Harris, into her life. James is well-traveled and well-read, and he makes Patricia feel things she hasn't felt in years. But when children on the other side of town go missing, their deaths written off by local police, Patricia has reason to believe James Harris is more of a Bundy than a Brad Pitt. The real problem: James is a monster of a different kind, and Patricia has already invited him in. Little by little, James will insinuate himself into Patricia's life and try to take everything she took for granted, including the book club. But she won't surrender without a fight in this blood-soaked tale of neighborly kindness gone wrong.
