

4 TIPS FOR YOUR MENTAL HEALTH

VALUE YOURSELF

Valuing yourself is crucial. It impacts all aspects of your life. Without self-love, self-worth, and self-esteem, you limit yourself. Knowing who you are and setting boundaries is critical for attaining the life of your dreams. The world is full of infinite possibilities, don't limit yourself because of a lack of self-value.

SURROUND YOURSELF WITH GOOD PEOPLE

There is no doubt that the people we surround ourselves with influence us. Be careful with whom you let in your social circle. They can either drain your energy or lift you up. It is critical to have supportive friends who inspire and empower you.

QUIET YOUR MIND

Quieting our minds is especially important when we are stressed out and unable to focus. Sometimes negative thoughts take over, and we can't concentrate on the task at hand. Practicing mindfulness is helpful during these situations.

DO THINGS FOR OTHERS

When you spend too much time thinking about yourself, you may become depressed. Lending a hand to someone in need can help your self-esteem.

advanced tools and bioinformatics approaches for studying gut microbiota and neurodegeneration Don't Tell Me What to Do, Just Send Money Helen E. Johnson, Christine Schelhas-Miller, 2011-07-05 This completely revised and updated edition of Don't Tell Me What To Do Just Send Money prepares parents for the issues that they will encounter during their children's college years. Since our original publication over ten years ago, there has been a dramatic increase in the use of cell phone and internet technology. The birth of the term helicopter parent is in part due to the instant and frequent connectivity that parents have with their children today. Parents are struggling with the appropriate use of communicative technology and aren't aware of its impact on their child's development both personally and academically. With straightforward practicality and using humorous and helpful case examples and dialogues, Don't Tell Me What To Do Just Send Money helps parents lay the groundwork for a new kind of relationship so that they can help their child more effectively handle everything they'll encounter during their college years.
