The Baseball Fan's Bucket List
Robert Santelli, Jenna Santelli, 2010-03-09
No sports fans are more in touch with the history and ephemera of their game than baseball fans. Hitting the sweet spot of our national pastime, *The Baseball Fan's Bucket List* presents a list of 162 absolute must-things-to-do, see, get, and experience before you kick the bucket. Entries range from visiting Elysian Fields in Hoboken, NJ, site of the first pro baseball game, to starting a baseball card collection, experiencing Opening Day, attending your favorite team's Fantasy Camp, reading classic books like *Ball Four*, and much more. Each entry includes interesting facts, entertaining trivia, and practical information about the activity, item, or travel destination. Also included is a complete checklist so the reader can keep a running tally of their Bucket List achievements. With today's tabloid stories of steroid abuse and off-the-field shenanigans encroaching on baseball's idyllic charm, this unique guidebook encourages readers to celebrate all that's good about being a fan.

Delicate Relations
Xichel, 2002
Told from a grown-up perspective, *Delicate Relations* gives a penetrating portrait of adulthood profoundly scarred by childhood. Due to the unknown origin of four women sisters having the same mother but a different biological father who deserted them at very early ages, Renee Ramzey, in the aftermath of a family tragedy, secretly searches for these shadowy, abstracted fathers, obsessively delving into a startling introspective journey deep in each man's complexly fragile, flawed, and at times dangerous world. The dual story line becomes Renee's callously splintered behavior and unexpected divergence from her own personal life, forfeited with seemingly reckless abandon and a manic energy that is not without its own fatalities. The heart of this gripping, forceful story addresses the wounding damage a man's absence creates in the home; the insecurities, rejection, nurtures inside little girls; and the lessons it teaches about men, love, sex, marriage, and parenting to the women they become. In a perceptively imagined way, its narrative beautifully plots the gray subtleties of self-identity and the power it wields over every human relationship with a fast, edgy
