The NBA's Global Empire Joshua K. Wright, 2025-03-05 During the 1992 Summer Olympics in Barcelona the Dream Team a collective of the National Basketball Association's top talent led by Michael Jordan Magic Johnson Larry Bird and Charles Barkley shook up the world as they amazed spectators and opponents on their way to winning gold Their success introduced the world to the NBA's charismatic superstars and their artistic brand of basketball Over the next two decades youth outside of America dreamed of becoming the next Michael Jordan Kobe Bryant and LeBron James The NBA took advantage of its popularity in China by forming lucrative television and streaming deals and opening training academies By the 2022-23 NBA season there were 109 international players from 39 countries a Canadian franchise and a league in Africa Today's best players are Africans Canadians and Europeans like Nikola Jokic and Victor Wembanyama This book presents the history of the NBA's ascension to a billion dollar global empire analyzing the globalization of American sports since the end of the Cold War and the dawn of the millennium How essential is globalization for the NBA to thrive in the 21st century Do the benefits outweigh the geopolitical controversies associated with being a global brand Is globalization responsible for a decline in American born NBA players and declining domestic popularity These questions and others are answered in this first treatment of the NBA's global reach

Sports Fans, Identity, and Socialization Adam C. Earnheardt, Paul Haridakis, Barbara Hugenberg, 2011-11-15 Once deemed an unworthy research endeavor the study of sports fandom has garnered the attention of seasoned scholars from a variety of academic disciplines Identity and socialization among sports fans are particular burgeoning areas of study among a growing cadre of specialists in the social sciences Sports Fans Identity and Socialization edited by Adam C. Earnheardt Paul Haridakis and Barbara Hugenberg captures an eclectic collection of new studies from accomplished scholars in the fields such as communication business geography kinesiology media and sports management and administration using a wide range of methodologies including quantitative qualitative and critical analyses In the communication revolution of the twenty first century the study of mediated sports is critical As fans use all media at their disposal to consume sports and carry their sports viewing experience online they are seizing the initiative and asserting themselves into the mediated sports dissemination process They are occupying traditional roles of consumers receivers of sports but also as sharers and sports content creators Fans are becoming pseudo sports journalists They are interpreting mediated sports content for other fans They are making their voice heard by sports organizations and athletes Mediated sports in essence provide a context for studying and understanding where and how the communication revolution of the twenty first century is being waged With their collection of studies by scholars from North America and Europe Earnheardt Haridakis and Hugenberg illuminate the symbiotic relationship among and between sports organizations the media and their audiences Sports Fans Identity and Socialization spurs both the researcher and the interested fan to consider what the study of sports tells us about ourselves and the society in which we live
