Paul Dyson, 2024-12-15 The 2025 edition of firstwriter.com's annual directory for writers is the perfect book for anyone searching for literary agents, book publishers or magazines. It contains over 1,500 listings including revised and updated listings from the 2024 edition and over 300 brand new entries. Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 6,000 authors and tells you who represents them or who publishes them or both. The number of genres in the index has expanded to over 900. So for example while there was only one option for Romance in previous editions you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural, Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance or even Amish Romance. The new edition includes Over 650 literary agents and agencies, Over 450 magazines and Over 500 publishers that don't charge fees. With more and more agents, publishers and magazines accepting submissions online this international outlook is now more important than ever. The book also allows you to create a subscription to the

tensions within the wedding party between the groom's traditional family and the bride's bohemian parents. Trying to ease stress and enjoy the spirit of the season, Bailey arranges the bachelorette party on the night of the Halloween parade. Everyone agrees to join in the festivities and dress up in costume. But running into several people dressed as the Grim Reaper turns out to be a bad omen. An explosion rocks the route causing a panic. When the smoke clears, Ivy is found dead, believed to be murdered, and Colby is questioned by police after several witnesses report the very public clashes between the two bridesmaids.
