Rosy Jane Lance PCS,2020-05-06 My Name is Rosy Jane I m 26 years old and I have never experienced love before I ve recently moved to New York living in a one bedroom apartment Is it a Supernatural soul feeling that I ve connection with that I ve never met but I ve had dreams but is it impossible that my brain is incapable of creating a face which turns out to be part of my Consciousness which only at Specific times and mostly in my dreams accompanied With voices which I hear in the day time occasionally Is it through my love relationship spiritually as I m working with me through my life serving all different types of purposes By knowing my feelings for Zebu is like knowing Chemistry I will know if what I feel is true love We experienced a number of things from subtle flirting intense eye contact and body language with noticing all types of small things My Secret Notebook contains day to day events which I have scribbled down things where you would asked yourself is that possible Is that something which actually takes place in real life I never shared my Secret Notebook with anyone it told to much of my life Each page counted for something and every something had its own special meaning deep thoughts Every lady has their own thoughts in life but my thoughts turned out to be more than what I actually expected I didn t know what I wanted to be when I grewed up but when I read this job vacancy in New York I took my chances I was the second female who worked for the company Opposite where my desk was a tall handsome looking ravishing male who ticked all of the boxes in my Secret Notebook and much more things which you wouldn t imagine thinking but I couldn t compare him with the other males who worked there he was just him self My mind thought of different things which were unusual somethings were true but every lady has their own point a view on things I felt like I was living in a world of darkness but the question was was I or was it something I was fixed with A supernatural soul how could I explain that any further apart from scribbling it down it my secret Notebook which had most answers for me and some answers I would have to ask myself Was my brain really incapable of creating a face which turns out to be part of my consciousness I had to scribble all different types of meanings which could cause this As I wake up in the morning it was something different when I went to work I felt uncomfortable knowing I m working round males but I never expected any of this As my days went by scribble scribble and I kept finding different things to add to my Secret Notebook it was like I was creating my own book to put on sale What more could I be thinking of apart from all of the different things which kept taking place and was their a reason for what was taking place and why This was the strangest thing why I had to ask myself only I could find the answers and nobody at the time could help me with the

answers I tried everything well almost everything thats all I can say and it wasn't easy I depended on my Secret Notebook this was my life which I'd put into it everything I always said to myself the first kiss is the one that matters the most but you shouldn't give them all away at once This was something I said to myself is that a true fact do you hold back what you feel People see things happening on the streets but I see things in a different perspective because to me my mind is based on my Secret Notebook the only thing which keeps me going from day to day What is love is their true meaning to love can love be the question to most things in life or do people make up love stories each day of their life What is behind all of this my world of darkness the things which I see and feel I remember scribbling something down which I can't find the words to explain Occasionally I would get myself confused with my Vocabulary writing down all of these types of funny and sexual words The Life Story of Rosy Jane xxxxxx

river And it is like the trees and bushes ah are alive and aware of what the river brings Oh Then she moved alongside the chair and moved her head quickly from canvas to scene That tree is not there Oh I see It needed to be there She continued shifting her glance and pointed at both the canvas and the natural scene surrounding us Then she stopped and paused and folded her arms across her chest After a moment she turned and walked slowly away and paced in a small circle a few steps away After a bit she turned and walked back paused to my left and a little in front of me and looked intensely down at my face Some artists don t take suggestions well She left the words just hanging I studied her face as she kept my gaze Fragile sculpted lines fine lines formed her face High forehead wide set eyes Eyes God An almost translucent blue that seemed to draw me into her Amazing stunning a small mouth not full lipped or thin but warm and almost petulant and teasing and uplifted at each corner with a small crease of shadowed muscle on just one side Oh to try to capture her face You always wear that beard I think my staring upset her You always wear a wreath of flowers in your hair She smiled and colored slightly and made a little titter I love this place I came here to dance as a young girl I dress like the place makes me feel I am so happy you see it too Now I was a little embarrassed her open honesty was real and it touched me I turned back to look at my canvas again
