Review **The White Wolf** Molly Lewis,2023-01-09 Angelica Moon had never dreamed of anything more than being saved by her mate and starting a brand new family but just like in most stories happy endings don't always turn out as expected and occasionally there isn't even a happy ending waiting for you When Angelica was a young child criminals killed her parents and everyone including her own brother blamed her She is now the smallest member of the group and one day she decides enough is enough and she departs Little does anybody know Angelica is special and she is aware of it but she is unaware that she is much more than just the only living example of a white wolf Even though she possesses these abilities Angelica has never utilised them to hurt herself or others in her immediate vicinity Angelica has only ever asked one question in response to everyone who has hurt her and made her struggle Why me **FLUENT User's Guide** Fluent Inc.,1996
