Kid Confidence Eileen Kennedy-Moore, 2019-01-02 A wise and realistic program for instilling genuine self esteem in children Kirkus Reviews starred review Help your child cultivate real lasting confidence In *Kid Confidence* a licensed clinical psychologist and parenting expert offers practical evidence based parenting strategies to help kids foster satisfying relationships develop competence and make choices that fit who they are and want to become As parents it s heartbreaking to hear children say negative things about themselves But as children grow older and begin thinking about the world in more complex ways they also become more self critical Alarming studies show that self esteem for many children takes a sharp drop starting around age eight and this decline continues into the early teen years So how can you turn the tide on this upsetting trend and help your child build genuine self esteem With this guide you ll learn that self esteem isn t about telling kids they re special It s about helping them embrace the freedom that comes with a quiet ego a way of being in the world that isn t preoccupied with self judgment and instead embraces a compassionate view of oneself and others that allows for both present awareness and personal growth When kids are less focused on evaluating and comparing themselves with others they are freer to empathize with others embrace learning and connect with the values that are bigger than themselves You ll also discover how your child s fundamental needs for connection competence and choice are essential for real self esteem Connection involves building meaningful and satisfying relationships that create a sense of belonging Competence means building tangible skills And choice is about being able to make decisions figure out what matters and choose to act in ways that are consistent with personal values When children are able to fulfill these three basic needs the question of Am I good enough is less likely to come up If your child is suffering from low self esteem you need a nuanced parenting approach Let this book guide you as you help your child create unshakeable confidence and lasting well being *The Antianxiety Food Solution* Trudy Scott, 2011-06-02 The Antianxiety Food Solution presents effective natural treatments and dietary changes that can significantly reduce anxiety symptoms and improve mood Author Trudy Scott is a certified nutritionist who successfully treated her own anxiety and founder of www.everywomanover29.com **Raising Good Humans** Hunter Clarke-Fields, 2019-12-01 A wise and fresh approach to mindful parenting Tara Brach author of *Radical Acceptance* A kinder more compassionate world starts with kind and compassionate kids In *Raising Good Humans* you ll find powerful and practical strategies to break free from reactive parenting habits and raise kind cooperative and confident kids Whether you re running late for school trying to get your child to eat their vegetables or dealing with an epic meltdown in the checkout line at a grocery store being a parent is hard work And as parents many of us react in times of stress without thinking often by yelling But what if instead of always reacting on autopilot you could respond thoughtfully in those moments keep your cool and get from A to B on time and in one piece With this book you ll find powerful mindfulness skills for calming your own stress response when difficult emotions arise You ll also discover strategies for cultivating respectful communication

effective conflict resolution and reflective listening In the process you ll learn to examine your own unhelpful patterns and ingrained reactions that reflect the generational habits shaped by your parents so you can break the cycle and respond to your children in more skillful ways When children experience a parent reacting with kindness and patience they learn to act with kindness as well thereby altering generational patterns for a kinder more compassionate future With this essential guide you ll see how changing your own autopilot reactions can create a lasting positive impact not just for your kids but for generations to come An essential must read for all parents now more than ever To raise the children we hope to raise we have to learn to become the person we hoped to be This wonderful book will help you handle the ride KJ Dell Antonia author of *How to Be a Happier Parent* Hunter Clarke Fields shares her wisdom and personal experience to help parents create peaceful families Joanna Faber and Julie King coauthors of *How to Talk So Little Kids Will Listen*

Mindfulness for Kids with ADHD Debra Burdick, 2018-10-01 Help your child with ADHD thrive Mindfulness for Kids with ADHD offers fun and accessible mindfulness exercises designed to help kids with ADHD successfully navigate all the areas of life from making friends and doing well in school to establishing healthy habits and limiting screen time As a parent you know that attention deficit hyperactivity disorder ADHD can make the normal developmental tasks of childhood more difficult to accomplish in numerous ways These tasks include making friends doing well in school organizing belongings and schoolwork identifying and managing feelings developing a positive self image getting along with family members following rules doing chores establishing a healthy sleep pattern eating a healthy diet and making good choices about exercise and use of screen time The activities in this easy to use workbook will help your child develop self awareness and self reflection two skills that kids with ADHD typically need extra help with The book also illustrates and teaches the process of setting intention and using specific mindfulness skills to identify and improve feelings self image behavior stress level concentration hyperactivity and relationships If you re a parent of a child with ADHD you may feel conflicted about the best treatment options available Whether used alone or in conjunction with therapy this powerful workbook provides real skills your child can use every day to improve their quality of life and help them enjoy being a kid
