Nba Preseason Top Store Hours:

A Hollywood Ending Yaron Weitzman, 2025-10-21 NBA journalist Yaron Weitzman lays out the high stakes drama happening inside the Lakers organization as they try to juggle the warring priorities between LeBron James and the Buss family When LeBron James signed with the Los Angeles Lakers in 2018 it looked like a match made in heaven Here was the preeminent athlete of his generation fresh off ending Cleveland's 50 year title drought and in need of a new challenge to help further burnish his legacy joining forces with one of the most iconic teams in all of sports And here were the Lakers in the midst of their worst stretch in franchise history and reeling from the death of the legendary owner Dr Jerry Buss in need of a savior The script wrote itself A little over two years later LeBron and Dr Buss daughter Jeanie were standing shoulder to shoulder hoisting the NBA finals trophy into the air Having won their record tying 17th NBA title the Lakers had reclaimed their accustomed perch on top of the basketball world It looked to be the birth of a new dynasty But this was a new Lakers franchise one beset by infighting and years removed from Kobe's prime And this was LeBron James the catalyst of the player empowerment era an athlete chasing things greater than Michael Jordan's ghost The two parties were too big to peacefully coexist under one roof The 2020 title would represent the pinnacle of their pairing and the beginning of a precipitous decline Drawing from over 250 interviews Yaron Weitzman takes readers on a riveting behind the scenes journey of this fraught partnership From the Succession like power struggle between the Buss children to the rise of LeBron's landscape altering talent agency and its attempts to assert its own power within the Lakers walls to the evolution of LeBron's priorities and political voice A Hollywood Ending is the definitive story of an American icon's final years on stage one portraying him a fabled NBA franchise and the world of modern professional sports in a light never seen before **The New York Times**

Index, 2006 Boston Ball Clayton Trutor, 2023-11 Rick Pitino Jim Calhoun and Gary Williams played no small role in the making of modern college basketball Collectively they've won more than 2,300 games and six national championships and reached thirteen Final Fours All three have been enshrined in the Basketball Hall of Fame Pitino Calhoun and Williams each spent more than two decades on the national stage becoming celebrities in their own right as college basketball and March Madness became a multi billion dollar industry Before Pitino became the face of the Providence Kentucky and Louisville programs before Calhoun turned UConn into a national power and before Williams brought Maryland to its first national championship all three of these coaches cut their teeth in front of modest sized crowds in the crumbling college gymnasiums of Boston during the 1970s and early 1980s Boston Ball charts how this trio of coaches seemingly out of nowhere started a basketball revolution Pitino at Boston University Calhoun at Northeastern University and Williams at Boston College Toiling in relative obscurity they ignited a renaissance of the city game a style of play built on fast breaking up tempo offense pressure defense and board crashing Part of a fraternity of great coaches including Mike Jarvis Kevin Mackey and Tom Davis they unknowingly invented Boston Ball a simultaneously old and new path to the top of college basketball Pitino Calhoun and

Williams took advantage of the ample coaching opportunities in America's College Town to craft their respective blueprints for building a winning program and turn their schools into regional powers and these early coaching years served as their respective springboards to big time college basketball Boston Ball is the story of how three ambitious young coaches learned their trade in the shadow of the dynastic Celtics as well as the story of how the young players in their recruitment relationships and basketball lives made these teams into winners **Sports Business Market Research Handbook**, 1999
