Inside you'll find a new multi-step cyclical process to help you keep track of your employees' work, identify where they need to improve and how, and ensure they're growing with the organization and helping the organization succeed. Plus, it'll show managers to C-Suites how to use performance management not just as an evaluation tool but just as importantly to help employees grow and improve on an ongoing basis so they are capable and motivated to support the organization's strategic objectives. Understand if your performance management system is working. Make fixes where needed. Get performance evaluation forms, interview protocols, and scripts for feedback meetings. Grasp why people make some businesses more successful than others. Make performance management a useful rather than painful management tool. Get ready to define performance measures that help employees improve it and align employee performance with the strategic goals and priorities of your organization. Never Too Late Jess Hansen, The memory of a first love is still just as sweet the second time around in this heartwarming later-in-life romance. Their lives took different directions in college after a hopeful high romance that never was. For Amanda King and Hudson Matthews, this surprise summer reunion provides the second chance they never saw coming. Amanda returns to her hometown for the summer to help her father and reset her own life. Emotionally, she is a mess and in some ways feels like a teenager again staying in her childhood home. She wonders if this is just what life at forty is. And then she sees dreamy Hudson. Hudson is reeling from a divorce and taking care of his aging father. He cannot believe his luck when his high school best friend and one he let get away walks into a bar this summer and right back into his life. As summer draws to an end and fall weather fills the air of their tiny coastal town, the question remains: can they make it work this time around? *Never Too Late* is a wholesome later-in-life romance that will make you believe in second chances. Content Rating: *Never Too Late* is a clean, wholesome second-chance romance with zero swearing or spice. This novel is suitable for all ages to read and enjoy. There are some real-world themes discussed in character backstories, including infidelity and parent loss. The characters experience healthy growth and development on their journey to resolving these themes. There's always a happily ever after.
