Secrets of the Modern Wealthy - How to Thrive in the Digital Age Stuart Ross, 2025-04-06 Secrets of the Modern Wealthy isn't a get rich quick manual. It's a strategic playbook built on real world experience, candid failures and hard won wins. Through the Mission Map framework, the author shows that modern wealth is a byproduct of genuinely serving people's needs at scale while simultaneously crafting the lifestyle you want. If you're tired of flashy marketing pitches and want a clear, human-centered approach to online business, this book is a refreshing and inspiring must-read. It teaches that wealth isn't just money in the bank; it's about building a flexible, value-driven enterprise that supports the life you truly desire.

From Street-smart to Web-wise® Al Marcella, Brian Moore, Madeline Parisi, 2024-12-27 Book 2 continues as the tiny fingers in Book 1. Grades K-2 grow and become more familiar with online activities. The critical job of ensuring our children's safety expands as students become more independent and begin to have greater online autonomy. From Street smart to Web wise: A Cyber Safety Training Manual Built for Teachers and Designed for Children isn't just another book; it's a passionate call to action for teachers, a roadmap to navigate the digital landscape safely with confidence and care. Written by authors who are recognized experts in their respective fields, this accessible manual is a timely resource for educators. Dive into engaging content that illuminates the importance of cyber safety not only in our classrooms but extending into the global community. Each chapter is filled with practical examples, stimulating discussion points, and ready-to-use lesson plans tailored for students in third and fourth grades. Regardless of your technology skill level, this book will provide you with the guidance and the tools you need to make student cyber safety awareness practical, fun, and impactful. As parents partner with educators to create cyber-secure spaces, this book stands as a framework of commitment to that partnership. It's a testament to taking proactive steps in equipping our young learners with the awareness and skills they need to tread the digital world securely. By choosing From Street smart to Web wise: A Cyber Safety Training Manual Built for Teachers and Designed for Children, you position yourself at the forefront of educational guardianship, championing a future where our children can explore, learn, and grow online without fear.
