Nosy Neighbours Freya Sampson, 2024-03-28 You can choose your home but you can't choose who lives next door What a beautiful compelling book I loved it HEMA SUKUMAR A real hug of a book HAZEL PRIOR Twenty five year old Kat Bennett has never felt at home anywhere especially not in crumbling Shelley House The other residents think she's prickly and unapproachable but beneath her tough exterior Kat is plagued by guilt from her past and looking for somewhere to belong Seventy seven year old Dorothy Darling has lived in Shelley House for longer than anyone else and if you believe the other tenants she's as cantankerous and vindictive as they come Dorothy may spend her days spying on the neighbours but she has a closely guarded secret herself and a good reason for barely leaving her home When their building faces demolition sworn enemies Kat and Dorothy become unlikely allies in their quest to save their historic home and even less likely detectives when they suspect that foul play is coming from within Shelley House The inhabitants of Shelley House will stay with me for a long time EMILY CRITCHLEY

[The Ebola Outbreak in West Africa](#) Constantine N.

Nana PhD,2016-09-09 The Zaire Ebola virus appeared out of nowhere and then disappeared into thin air after killing scores of humans in West Africa In The Ebola Outbreak in West Africa author Constantine N Nana attempts to better understand the outbreak and answer the question why Through meticulous research combing through misleading media reports and equivocal academic papers Nana takes a close look at the chain of events He raises a series of questions Why were there Ebola experts in the region shortly before the outbreak Why did the Sierra Leonean government order a research institution to stop Ebola testing during the outbreak Why did the United States government decline to renew funding for one of the research programs during the crisis Why did one of the key researchers state that the epidemic may have been caused by a contaminated needle Did the initial outbreak really originate with a two year old child in an isolated area In The Ebola Outbreak in West Africa Nana challenges standard explanations of the virus origins and demonstrates that many questions remain unanswered

The Predictable Heartbreaks of Imogen Finch Jacqueline Firkins,2023-10-31 Jacqueline Firkins s The Predictable Heartbreaks of Imogen Finch is a beautiful story of friendship and second chances at love Imogen Finch has just been through her seventeenth breakup She saw it coming so she s not as crushed as she might be but with all seventeen of her exes leaving her for other partners she s come to believe a prediction her well intentioned and possibly clairvoyant mother made over twenty years ago that Imogen would never come first at anything or to anyone Is her love life failing due to a magical curse Insufficient effort Poor timing or personality mismatches Everyone has opinions on the matter Imogen s ready to give up altogether But when Eliot Swift her secret high school crush returns to their small coastal town after a decade of nomadic travels Imogen has new motivation to try again Eliot s full of encouragement He suggests that her curse is not only imagined it s easily breakable All they need is one win any win and she can believe in love and in herself again From trivia games to swimming races to corn shucking contests the pair sets out to snag Imogen her first first But when victory proves more elusive than Eliot anticipated and when his deep seeded wanderlust compels him to depart for far away places Imogen fears she s destined to remain in second place forever Fortunately for them both sometimes magic lingers in the most unexpected places And love is far from predictable
