Martínez-López,2023-05-30 The Digital Marketing and eCommerce Conference aims to bring together leading researchers and research scholars to exchange and share their experiences and research results on any aspects of ecommerce and digital marketing This volume presents the proceedings of the 2023 edition in a collection of contributions with many original approaches They address diverse areas of application such as online brand communities channel design online retailing cryptocurrencies user generated content TikTok among others A wide variety of theoretical and methodological approaches have been used **Academic Writing Now - with Readings** David Starkey,2024-03-11 Academic Writing Now A Brief Guide for Busy Students is a rhetoric designed to cover the basics of a college writing course in a concise student friendly format Anything inessential to the business of college writing has been excluded Each chapter concentrates on a crucial element of composing an academic essay and is capable of being read in a single sitting The book is loaded with timesaver tips ideas for making the most of the student s time along with occasional warnings to avoid common errors made by student writers Each short chapter concludes with questions and suggestions designed to reinforce the chapter s key elements and facilitate small group interactions and trigger class discussion A compact selection of lively topical readings provides thought provoking examples for analysis and discussion **Still Reading Romance** Josefine Smith,Kathleen W. Taylor Kollman,2025-04-01 In a world that commodifies feminism is adapting romance novels for small and big screen projects and the Romance Writers Association is evolving to a more inclusive representative group it is

imperative for researchers to reevaluate the cultural assumptions and gender norming work happening in the romance genre. It is time to question the cultural capital of traditional archetypes, explore the experience of romance readers, and question how romance and cultural studies researchers create quantitative, qualitative, and mixed methods research. This work centers around a data set collected with a revised version of Janice Radway's Reading the Romance survey that will be shared with all the authors of this anthology. By having access to this pool, authors will have the opportunity to explore different elements of reader experience and cultural norms in romance fiction and potentially reflect on changes since Janice Radway's seminal work. The norms and negotiations readers experience while consuming romance is especially interesting as romancelandia becomes a more mainstream part of popular culture with the popularity of Bridgerton and romance series like Ice Planet Barbarians exploding on BookTok. No other book in romance or popular culture studies identifies a data set as the connecting element and to do so creates an exciting opportunity to create a more inclusive study of popular romance, offer truly interdisciplinary research on the question of how readers read romance, and generate diverse areas of future scholarship. This edited volume explores multiple issues in romance fiction based on survey data from real romance readers. An updated version of Janice Radway's influential survey looking at romance readers in the early 1980s, this time scholars explore romance readers' habits and attitudes in the twenty-first century. Each contributor in this volume uses the same survey data to make unique statements about gender, intersectionality, popular fiction, and popular culture. By using a common data set but approaching it from different perspectives, this unique volume is able to apply multiple methodologies to the same subject.

Why Writing Still Matters Guy Merchant, 2023-09-07. A new analysis and exploration of writing practices that takes into account the radical impact of digital technologies of communication.

TikTok Cultures in the United States Trevor Boffone, 2022-04-03. TikTok Cultures in the United States examines the role of TikTok in US popular culture, paying close attention to the app's growing body of subcultures. Featuring an array of scholars from varied disciplines and backgrounds, this book uses TikTok subcultures as a point of departure from which to explore TikTok's role in US popular culture today. Engaging with the extensive and growing scholarship on TikTok from international scholars, chapters in this book create frameworks and blueprints from which to analyze TikTok within a distinctly US context, examining topics such as gender and sexuality, feminism, race, and ethnicity, and wellness. Shaping TikTok as an interdisciplinary field in and of itself, this insightful and timely volume will be of great interest to students and scholars of new and digital media, social media, popular culture, communication studies, sociology of media, dance, gender studies, and performance studies.

Filterworld Kyle Chayka,2024-01-16 A MOST ANTICIPATED BOOK From New Yorker staff writer and author of *The Longing for Less* Kyle Chayka comes a timely history and investigation of a world ruled by algorithms which determine the shape of culture itself *Filterworld* is about how algorithms changed culture Chayka asks what is taste What is a sense of aesthetics And what happens to it when it collides with the homogenizing digital reality in which we now live Ezra Klein From trendy restaurants to city grids to TikTok and Netflix feeds the world round algorithmic recommendations dictate our experiences and choices The algorithm is present in the familiar neon signs and exposed brick of Internet cafes be it in Nairobi or Portland and the skeletal modern furniture of Airbnbs in cities big and small Over the last decade this network of mathematically determined decisions has taken over almost unnoticed informing the songs we listen to the friends with whom we stay in touch as we ve grown increasingly accustomed to our insipid new normal This ever tightening web woven by algorithms is called *Filterworld* Kyle Chayka shows us how online and offline spaces alike have been engineered for seamless consumption becoming a source of pervasive anxiety in the process Users of technology have been forced to contend with data driven equations that try to anticipate their desires and often get them wrong What results is a state of docility that allows tech companies to curtail human experiences human lives for profit But to have our tastes behaviors and emotions governed by computers while convenient does nothing short of call the very notion of free will into question In *Filterworld* Chayka traces this creeping machine guided curation as it infiltrates the furthest reaches of our digital physical and psychological spaces With algorithms increasingly influencing not just what culture we consume but what culture is produced urgent questions arise What happens when shareability supersedes messiness innovation and creativity the qualities that make us human What does it mean to make a choice when the options have been so carefully arranged for us Is personal freedom possible on the Internet To the last question *Filterworld* argues yes but to escape *Filterworld* and even transcend it we must first understand it

The Routledge Companion to the Reception of Ancient Greek and Roman Gender and Sexuality K. Moore,2022-08-22 This Companion covers a range of receptions of ancient Greek and Roman gender and sexuality It explores ancient representations of these concepts as we define them today as well as recent perspectives that have been projected back onto antiquity Beginning in antiquity the chapters examine how the ancient Greeks and Romans regarded concepts of what we would today call gender and sexuality based on the evidence

available to us and chart the varied interpretations and receptions of these concepts across time to the present day In exploring how different cultures have received the classical past the volume investigates these cultures different interpretations of Greek and Roman sexualities and what these interpretations can reveal about their own attitudes Through the contributions in this book the reader gains a deeper understanding of this essential part of human existence derived from influential sources From ancient to modern and postmodern perspectives from cinematic productions to TikTok videos receptions of ancient gender and sexuality abound This volume is of interest to students and scholars of ancient history gender and sexuality in the ancient world and ancient societies as well as those working on popular culture and gender studies more broadly
