in the borderlands space of *ni de aqua ni de all* neither here nor there present yet liminal their queerness the very source of both frustration and empowerment a paradox of joy and tragedy Although written in 1987 Anzaldúa's theory speaks to the realities of queer Latinx teens that fill the pages of YA literature well into the twenty first century Characters such as Juliet from Gabby Rivera's *Juliet Takes a Breath* Aaron from Adam Silvera's *More Happy Than Not* or the titular Chulito from Charles Rice Gonzales's novel encompass the highs lows and everything in betweenness of queer Latinx teen lived experiences This collection tells their stories Contributors speak to the spectrum of queer youth Latinidades as they materialize in YA literature paying close attention to representation and the ways youth are portrayed whether accurate or stereotypical Close attention is paid to books that succeed in broadening the field of YA highlighting authors that draw from their own lived experiences and situate strong fully developed characters Taken together these essays move beyond the page explaining to readers why representation and authenticity matter in YA literature as well as the far reaching effects they can have for real world queer Latinx teens

Retooling Study Abroad Carmen Granda, 2023-11-02 Study abroad is the ideal option for world language students to immerse themselves in the target language and culture However circumstances beyond control may make travel challenging even impossible Technology has the potential to engage students and provide an opportunity for linguistic and cultural immersion from home In addition to immersing students in the target language and culture Carmen Granda shows that technology can be implemented in all world language courses to foster connections and comparisons and most importantly create community in and outside of the classroom She demonstrates that digital tools have the power to make language learning inclusive of and accessible to all students fulfilling diversity equity and inclusion DEI goals of higher education

Systems from Hell David A. Rochefort, 2024-12-01 This book approaches contemporary fiction as a medium for policy advocacy one whose narrative devices both link it to and distinguish it from other forms of public discourse Using the framework of political agenda setting David A Rochefort analyzes the rhetorical function of problem definition played by literary works when they document and characterize social issues while sounding the call for systemic reform Focusing on a group of noteworthy realist novels by American authors over the past twenty years this study maintains that fictional narrative is a potentially influential instrument of empathic policy argument The book closes by examining the agenda setting dynamics through which a social problem novel can contribute to the process of policy change

Hooked Emily

McIntire,2022-09-20 Once upon a time there was a little boy His belly full of laughter his life full of joy Until one day something changed stripped his innocence away The hole inside making space for the devil to come and play His dreams gone forever he grew up way too fast An endless night of crocodiles and watches made of glass He grew into a villain the taste of vengeance on his tongue Craving to make his enemies pay for the misdeeds they had done Instead he found a Darling girl and refused to let her go For what better way to make the man pay than to steal his little shadow
