We offer week-by-week projections for Quarterbacks, Running Backs, Wide Receivers, and Tight Ends. We provide season-long projections for all positions in PPR and Non-PPR formats. Not good enough? Well, how does free in-season fantasy and daily fantasy projections sound? For any FanDuel or DraftKings players out there, you know how valuable these can be. Details on how to access these projections are also found within the book. Whether you're a daily fantasy player looking for the vaunted value sleeper or a fantasy football player who needs to fill in his or her starting lineup thanks to an injury or bye week, Roto Solo can help you out. Not convinced? Roto Solo has partnerships throughout the fantasy sports industry. We are proud to be included in the Functional Sportsaholic's publications. Through this partnership, we access key analytics providers. In addition to Functional Sportsaholic, we also partner with respected projection providers such as Fantasy Pros and SportsData IO (formerly known as Fantasy Data). Roto Solo pulls data from the other top fantasy football sites on the web. We compile differing statistics and methodologies to determine the best fantasy football draft cheat sheet. The consensus projections are fed into Functional Sportsaholic's

proprietary weighted strength of schedule to identify weekly rankings This is the same method used by the large sport analytic companies but we re the only ones sharing weekly projections up before the season starts Ok can we really project what will happen in week 17 in the upcoming season Well we can try But this is where the free in season projections come into play The statistical model gets smarter as we compile more in season data As the season progresses and injuries take a toll across the NFL we can help you adjust In short we ll set you up well before the year and help you keep that mojo going during the season
