Look carefully, at your award letters!

Each school's letter will be organized similarly, but they will not be the same so, it is very important that you pay attention to the details.

Cost of Attendance: What does each school consider when determining the COA? Will there be additional expenses that a school didn't include?

Loans: Compare the amount of loans from each school. This will be your biggest indicator of how good the offer is.

Work-study: Did a school offer you the option to work on campus to pay off some of your tuition?

Where can you go if you have questions about your "Financial Aid Award" letter? - Your counselor, staff in the CCC, and the financial aid office of the school.
