

Google Drive Black Friday 2025

D Kirk

Google Drive Black Friday 2025:

AI Snake Oil Arvind Narayanan, Sayash Kapoor, 2025-09-23 From two of TIME's 100 Most Influential People in AI what you need to know about AI and how to defend yourself against bogus AI claims and products Confused about AI and worried about what it means for your future and the future of the world You're not alone AI is everywhere and few things are surrounded by so much hype misinformation and misunderstanding In **AI Snake Oil** computer scientists Arvind Narayanan and Sayash Kapoor cut through the confusion to give you an essential understanding of how AI works and why it often doesn't where it might be useful or harmful and when you should suspect that companies are using AI hype to sell AI snake oil products that don't work and probably never will While acknowledging the potential of some AI such as ChatGPT **AI Snake Oil** uncovers rampant misleading claims about the capabilities of AI and describes the serious harms AI is already causing in how it's being built marketed and used in areas such as education medicine hiring banking insurance and criminal justice The book explains the crucial differences between types of AI why organizations are falling for AI snake oil why AI can't fix social media why AI isn't an existential risk and why we should be far more worried about what people will do with AI than about anything AI will do on its own The book also warns of the dangers of a world where AI continues to be controlled by largely unaccountable big tech companies By revealing AI's limits and real risks **AI Snake Oil** will help you make better decisions about whether and how to use AI at work and home

Advertising Creative Tom Altstiel, Jean Grow, Dan Augustine, Joanna L. Jenkins, 2022-04-18 **Advertising Creative** Sixth Edition gets right to the point of advertising by stressing key principles and practical information students and working professionals can use Drawing on personal experience as award-winning experts in creative advertising this new edition offers real-world insights on cutting-edge topics including global social media business to business in-house and small agency advertising In the new edition authors Tom Altstiel Jean Grow Dan Augustine and Joanna Jenkins take a deeper dive into the exploration of digital technology and its implications for the industry as they expose the pervasive changes experienced across the global advertising landscape Their most important revelation of all is the identification of the three qualities that will define the future leaders of this industry Be a risk taker Understand technology Live for ideas The latest edition addresses some of the key issues impacting our industry today such as diversity in the workplace international advertising and design in the digital age Automotive Daily News, 1948-05
