The Campus Rape Frenzy KC

Johnson, Stuart Taylor, Jr., 2018-05-22 In recent years politicians led by President Obama and prominent senators and governors have teamed with extremists on campus to portray our nation s institutions of higher learning as awash in a violent crime wave and to suggest preposterously that university leaders professors and students are indifferent to female sexual assault victims in their midst Neither of these claims has any bearing to reality But they have achieved widespread acceptance thanks in part to misleading alarums from the Obama administration and biased media coverage led by The New York Times The frenzy about campus rape has helped stimulate and has been fanned by ideologically skewed campus sexual assault policies and lawless commands issued by federal bureaucrats to force the nation s all too compliant colleges and universities essentially to presume the guilt of accused students The result has been a widespread disregard of such bedrock American principles as the presumption of innocence and the need for fair play This book uses hard facts to set the record

straight It explores among other things nearly two dozen of the cases since 2010 in which students who in all likelihood would have or have subsequently been found not guilty in a court of law have in a lopsided process been hastily and carelessly branded as sex criminals and expelled or otherwise punished by their colleges often after being tarred and feathered by their fellow students And it shows why all students and eventually society as a whole are harmed when our nation s universities abandon pursuit of truth and seek instead to accommodate the passions of the mob As detailed in the new Epilogue some encouraging events have transpired since this book was first published in October 2016 A majority of the judicial rulings in dozens of lawsuits by male students claiming their schools treated them unfairly and discriminated against them based on their gender have rebuked the schools for their handling of these cases And Education Secretary Betsy DeVos called for fairness to accused students and accusers alike revoked most of the guilt presuming Obama era policies and began a protracted rule making process designed to compel procedural fairness and nondiscrimination Sportswomen's Apparel Around the World Linda K. Fuller, 2020-11-18 This volume presents a collection of essays that explore the relationship between sporting clothing and gender Drawing on uniform and sports apparel as a means of exploring the socio sexual politics of the contemporary world the contributions analyse the historical political economic socio cultural and sport specific dimensions of gendered clothing in sport Part of a two volume series the other discussing this phenomenon in the USA contributors cover topics such as the rise of athleisurewear Olympics outfits eSports religious considerations the saree fitness attire on Instagram Japanese bloomers youth clothing ForPlay s sexy sports costumes and women s sportswear for rugby tennis throwing biking wrestling and flat track roller derby This global anthology will be of interest to practitioners and scholars of sports history the sociology of sport and gender media studies **Free Speech and Intellectual Diversity in Higher Education** Paul Carrese, Carol McNamara, James Stoner, 2023-06-19 The essays in Free Speech and Intellectual Diversity in Higher Education reflect diverse perspectives on one of the most pressing issues in higher education the controversies over freedom of speech and its relation to intellectual diversity Does the First Amendment apply on campuses and do its principles clarify or obscure the issues surrounding campus speech What after all is the basis for those principles and how do they relate to the purposes of the university Is free speech truly effective without a diversity of perspectives and to what extent is such diversity found at universities today Does free speech discourage the inclusion of minorities or previously excluded groups Are there specific policies that can address the issue of free speech on campuses today in ways that are fair to all parties and to the interests at stake Pictorial Review , 1914 Includes music **Productivity, Professionalism, and Parenting in Academia** Christine E. Tulley, 2025-04-30 Drawing on time use diary analysis this unique and detailed study fills in the larger narrative about what it takes hour by hour to navigate academic motherhood with a rhetoric and composition career Looking specifically at the intersections between parenting and writing for publication in order to find out how and when writing for career advancing tasks such as publication occur but also through the lens of

disciplinary time constraints including heavy grading and administrative workloads the book examines support systems noted within diary entries that make combining motherhood and a career in rhetoric and composition possible Using both quantitative analysis of hours and qualitative coding of time use diaries from rhet comp moms this book answers questions about publishing professionalism and parenting This book will interest scholars and graduate students working in the discipline of rhetoric writing and composition particularly those working on labor and professional issues on gender and equality within the discipline and anyone working in all fields looking for ways to foster a better work life balance **Race, Ethnicity, and Consumption** Patricia Banks, 2020-07-08 Race Ethnicity and Consumption A Sociological View looks at the central concerns of consumer culture through the lens of race and ethnicity Each chapter illustrates the connections between race ethnicity and consumption by focusing on a specific theme identity crossing cultures marketing and advertising neighborhoods discrimination and social activism By exploring issues such as multicultural marketing cultural appropriation consumer racial profiling urban food deserts and racialized political consumerism students scholars and other curious readers will gain insight on the ways that racial and ethnic boundaries shape and are shaped by consumption This book goes beyond the typical treatments of race and ethnicity in introductory texts on consumption by not only providing a comprehensive overview of the major theories and concepts that sociologists use to make sense of consumption race and ethnicity but also by examining these themes within distinctly contemporary contexts such as digital platforms and activism Documenting the complexities and contradictions within consumer culture Race Ethnicity and Consumption is an excellent text for sociology courses on consumers and consumption race and ethnicity the economy and inequality It will also be an informative resource for courses on consumer culture in the broader social sciences marketing and the humanities

Solving the Mystery . . . What Every Preteen Should Know Sandy Brenneman, 2010-10 Churches homeschoolers and individual families can benefit from this Biblically based curriculum Solving the Mystery What Every Preteen Should Know addresses Biblical solutions to issues that preteens 5th 6th graders are often exposed to through school TV relatives and friends Some subjects covered are God created everything in six 24 hour days evolution is not true God abhors evil including witchcraft pornography and abortion just to name a few With this book your preteens will learn what pleases God and how to recognize and protect themselves from the evils of everyday life This curriculum should be taught on a 5th 6th grade level We've been using Solving the Mystery What Every Preteen Should Know in our preteen ministry for 6 years We've found this curriculum to be instrumental in laying a BIBLICAL foundation for preteens as they transition from childhood adolescence to their teenage years The material is extremely appropriate and relevant to the preteen dynamic focusing on significant issues facing every preteen This curriculum is a MUST HAVE resource for every church's preteen ministry Andy Waite Associate Pastor White Rock Fellowship Noblesville IN In a world where pre teens and teens leave the church and venture away from the Lord at an alarmingly high rate being real and truthful about what God tells us in scripture is a must This curriculum is

just that real factual information from scripture that pre teens can carry with them through life My son really benefited from being exposed to this curriculum Teresa E Christopher Mother Noblesville IN Sandy Brenneman lives in Indiana with her husband of 44 years Together they have successfully raised a son and daughter through their preteen years to adulthood Sandy has been developing and teaching this curriculum in churches for 25 years Contact us at [http www solvingthemysterybooks com](http://www.solvingthemysterybooks.com) Intellectual Property Excesses Enrico Bonadio,Aislinn O'Connell,2022-06-30 This collection of essays highlights the sometimes absurd outcomes which an unjustified overprotection of intellectual property IP may lead to It collects and comments on a series of IP disputes which have taken the notion of IP protection to extremes From individuals being sued for hundreds of thousands of dollars for sharing a playlist to sports spectators being arrested for wearing the wrong dresses passing through granting patents for inventions obtained by misappropriating traditional knowledge and trademark protection of merely descriptive signs this book brings together a broad range of examples from across the IP spectrum where protection and enforcement have been used or threatened on unreasonable and or untenable grounds The aim of the book is to criticise these excesses precisely because they harm IP and because they contribute to creating an environment where more and more people are led to hate IP and view it as a protectionist regime which discourages creativity in innovation and ends up safeguarding the owners of monopolistic rights which restrict trade competition and people s freedom This is not therefore a book against IP it is instead a call for change and an attempt to save IP through critiquing its excesses and preventing such a fascinating area of law from continuing to be an easy target for criticism The book includes a foreword by Jason Mazzone Albert E Jenner Jr Professor of Law at the University of Illinois USA

Privileged Victims Eddie Scarry,2020-02-25 America s worst ideas and people are rising to the top thanks to a rancid culture that has turned every part of our lives into a fight between so called privilege and entitled brats claiming victim status The country is under siege and America s most ferocious enemy is already here our privileged victims On university campuses in the news media and in Hollywood race gender and sexuality determine who should advance and who should be taken down a peg Driven by social justice and governed by intersectionality out of control college students school administrators journalists and titans of the entertainment industry divide and rank us on an infinite scale of grievance the more of them the better And God have mercy on any individual deemed to benefit from privilege Privileged Victims zealously exposes the lies and myths behind The MeToo movement that redefined sexual assault and rape to include simple regret ruining the lives and careers of countless men Hoax hate crimes a key feature of the privileged victim class The debate over our jungle like immigration system dumbed down by a scheming national news media to ugly charges of racism and xenophobia Hollywood which no longer aims to produce high quality entertainment but to virtue signal and promote social justice And so much more In gripping detail Eddie Scarry uncovers the perversion behind social justice and its identity first dogma that s replacing America s meritocracy tracing its origins in academia and shining a light on the havoc it has wrought

over the course of three decades Bewildered citizens mistakenly believe that it s a matter of political correctness gone too far or the ailing symptoms of a country that has grown too sensitive The truth is much worse it s a deliberate malignant reorganization of American life and the replacement of merit with mediocrity is the ultimate destination How did everyone in America get so unhappy all of a sudden In part because it pays Eddie Scarry lays out the scam in this infuriating and fascinating book It ll make you never want to complain again just for the sake of being countercultural Tucker Carlson Host of Tucker Carlson Tonight on Fox News and Author of Ship of Fools What I love about Eddie is his courage He knows the outrage mob is constantly coming and he doesn t care Some of us call that being a First Amendment advocate Count me as a fan and a reader Megyn Kelly **The Optical Journal and Review of Optometry. ... ,1920**
