Adulting Financially for Millenials Zach Yereb, 2017-08-04 OK sooooo what do we do with our money Our education system may think its important to teach topics such as physics and the Pythagorean theorem but I think that for the 98% of Americans that will never use it we need to cover the things 100% of Americans need like balancing your budget and understanding your credit score you know that thingy you need to buy a house with In this book we will talk about that jackass of an elephant in the room oh geez not Clinton or Trump see what I did there credit card debts and student loans the things that give you the equivalent turbulent feeling of walking into the bathroom on a commercial airline flight simultaneously as the captain announces hes turning the Fasten Seatbelt sign back on due to rough weather What about life insurance Retirement Im going to touch on everything youre worried about but not like a creepy doctor Let me just make one thing clear my intent is for you to understand you need to put a financial plan in place and that you need a financial advisor Everyones financial situation is different and everyone needs help These are my own opinions correct opinions mind you Statements and or opinions in this publication are my own and are not affiliated or a reflection on the Department of Defense

Dancing on Eggshells John Whaite, 2023-08-24 We come for the glitter but instead we get the grit in stories told with insight tenderness and joy Russell T Davies With a foreword by Steph McGovern I never thought I d write a memoir I never thought I d do a lot of the things I have done in my thirty four years but life has a wonderful way of surprising us Well known as the winner of the third series of The Great British Bake Off and runner up of Strictly Come Dancing with his same sex dance partner Johannes Radebe John Whaite s personal story is a complicated narrative of contradictions highs and lows told with tenderness joy insight and wit but also unflinching honesty A shy little boy from rural Lancashire who was sacred to sleep alone and danced a little too gay at family weddings he was also an unruly teen who shaved a checkerboard pattern into his hair and refused to conform From childhood his life has revolved around food his parents owned a fish and chip shop where John worked in the back peeling potatoes but for long periods he has been haunted by bulimia and body dysmorphia and not a day goes by when he doesn t worry about what or how much he eats He achieved TV fame but then seemingly wilfully chose to self destruct before finding the strength to pull back when he woke up in a car with half a kebab at his feet and chilli sauce on his shoes Through it all his essential optimism has meant that he has chosen to take every step back as a chance to reassess and begin again finally arriving at the realisation that external validation and fulfilment is transient a distraction from the sometimes painful pilgrimage we make as we gain wisdom from our experiences

The Whiskey Sour Jeanette Hurt,2024-09-03 Certain cocktails carry societal connotations and cultural meaning Some drinks are regional symbols such as the mint julep which is inextricably tied to the Kentucky Derby Classic drinks like the old fashioned or the Manhattan tend to denote a more sophisticated or mature drinker whereas wine coolers and tropical cocktails often appeal to those who prefer lighter and fruitier alcoholic drinks Enter the whiskey sour A cocktail from the sour family the iconic drink is usually made with bourbon whiskey lemon juice and sugar While its ingredients are strikingly similar to those in an old fashioned the whiskey sour is far less revered and in certain circles maligned for its sweetness The Whiskey Sour elevates the reputation of the classic cocktail by exploring its rich history starting in the 1600s with punch the predecessor to sours and bringing the reader through to the twentieth century when the whiskey sour was well established Seasoned mixologists and new cocktail enthusiasts will be educated about the development of the traditional recipe and encouraged to make their own creations by incorporating modern riffs syrup additions and fun enhancements Part historical narrative part recipe book this friendly and approachable guide challenges the stigma surrounding the cocktail as a drink for unrefined tastes and illustrates the elegant romantic and complex facets of the whiskey sour a perfectly sweet tart and balanced cocktail
