American Tropics Rock Holliswood, 2012-11-20 American Tropics is a story of one man's journey from LA to Miami to Key West to LA and then to the Hawaiian Islands to visit the most tropical parts of America. The protagonist, who is a member of Generation X, tells the story about his adventures and the characters that he meets along the way. The book is a journey; reading it, you will go on a journey in your imagination to the most southern extremes of the United States: to the continental south point close to the Hemingway House in Key West, Florida, and to the south point of the Hawaiian Islands. It will take you to celebrate the exuberance and joy of being a member of Generation X while traveling through the most tropical parts of the great experiment in freedom and wealth, America.
