*40 Sensational Sight Word Games* Joan Novelli, 2002 Build reading skills with Sight Word Soup Word Construction Site and more. **Raising a Reader** Bonnie D. Schwartz, 2003-11-05 With so many discussions and theories on reading and how children learn to read, it can be very confusing for parents to know the best way to get their kids to read. In *Raising a Reader*, Bonnie Schwartz lays out simple, researched and practice proven approaches that a parent can do to promote literacy in the home and encourage children to explore the great adventures to be found in books. The first step in fostering literacy and good reading strategies in the home is to learn a little bit about how language is acquired and how this affects the development of reading. The purpose of this book is to expose parents to these processes and build a knowledge base of basic games, activities and strategies parents can easily use at home to foster reading development. **First Grade Fun, Fitness & Learning, Grade 1** Sabena Maiden, 2012-01-03 Incorporate activities that energize and engage students in grade 1 using Fun, Fitness and Learning. This 64 page book includes 55 large group activities in which students use loco motor or non loco motor skills while activating their thinking skills. To reinforce what has been learned during the group activities, students complete half page exercises for individualized skill practice. Lessons in this dynamic resource cover topics such as phonemic awareness, weather, writing, mechanics, grammar, numbers, geometry and measurement, plants and animals, maps, citizenship and fitness. The book supports NCTM and NCTE standards. Key Education products are intended to engage and educate young and special learners as well as assist teachers in building a strong and developmentally appropriate curriculum for these children. The product line comprised of teacher/parent resource books, photographic learning cards and other activity and game oriented materials is designed to assist in *Unlocking the Potential in Every Child*.
