The Fight Against Anxiety Muhammad Ijlal Uddin Siddiqui,2020-12-15 Statistics show that every single human will or would have had an intrusive thought at least once in their life It is perfectly normal However some people may find it more arduous to control the way they react to those thoughts To deal with intrusive thoughts one must understand that it is almost impossible to stop thinking altogether The trick to dealing with intrusive thoughts is to learn and train yourself to react to these thoughts healthily This book aims to help you with just that learn how to take back control of your life Learn how to react to intrusive thoughts and in the process reduce anxiety

and the panic attacks that come along with it Before we go further I would like to mention how important it is to understand that healing is not something that can happen overnight The techniques mentioned in this book will take time and energy to implement It is a journey that we will make together and over time we will get to a point where we will be able to manage our brains effectively As Alan Watts once mentioned thinking is not a bad thing Intrusive thoughts are not a bad thing they do not define who you are as a human We could think about something as hard as we can but they are not our reality It becomes our reality once we put action to the thought By the end of this book we should have the knowledge and tools that are needed to stop dwelling on these thoughts ease our anxiety and lessen our depression Without further ado let us begin the journey to taking back control of our minds and our lives
