**Beginner's Guide To The Digital Marketing** Sukhdeep Singh, 2021-02-15 Introducing *Beginner's Guide To The Digital Marketing*. This guide is one of the best when it comes to digital marketing. If you want to make yourself perfect and looking to boost your existing business, HERE YOU ARE AT THE RIGHT PLACE. Digital marketing is profitable. Users are using the web to search and explore, offers, make purchasing decisions. They took into account the opinions of their friends, user, and other recommendation and provide awareness about the product. Online marketing is an approach to gain and persuade customers that are using the web and devices constantly. Thus, it can reach and address the user at any time and anywhere. Digital marketing is measurable. What worked, what didn't? By observing how customers behave and measuring conversions based on resources where users came from, we identify what works better and what works worse. So, with every investment, we can improve the performance of our marketing campaign and get a higher return. After reading this book, you will become aware of how to get your website on the top page with SEO, how to grow your business with SMM strategies, how to use PPC to generate paid leads, major Google updates, how to earn from your social accounts and website with affiliate marketing, how to create a successful email marketing campaign, what is the black hat and white hat SEO, and many more interesting topics only for you.
