Congress. Senate. Committee on Finance,1918 *Tourism and Sustainable Development Goals* Jarkko Saarinen,2020-06-29 This comprehensive volume comprises some of the best scholarship on sustainable tourism in recent years demonstrating the rich body of past research that provides a fertile and critical ground for studies on the Sustainable Development Goals SDGs by tourism geographers and other social scientists in the future Since the turn of the 1990s many international development and policy making organisations have perceived the tourism industry with its local and regional connections as a high potential tool for putting sustainable development into practice The capacity of tourism to work for sustainable development was highlighted in relation to the United Nations SDGs which were adopted in 2015 The SDGs define the agenda for global development to 2030 by addressing pertinent challenges such as poverty inequality climate change environmental degradation and peace and justice Tourism geographers and allied disciplines have held strong and long term interest in sustainability issues and their chapters in this collection contribute significantly to this emerging and highly policy relevant research field This book was originally published as an online special issue of the journal *Tourism Geographies* **The Australasian Insurance & Banking Record** ,1917 **The Baltimore Underwriter** ,1865 **Musical America** ,1926 *Railway News, Finance and Joint-stock Companies' Journal* ,1869 *Japan Report* ,1974 *Project Management Bootcamp* Peter Cross,2023-07-31 *Project Management Bootcamp* is a pragmatic guide for those who need to understand

how to deliver projects successfully The reader journeys through a project stage by stage discovering what project managers commonly need to achieve at each step Each step is supported by tables charts tips and tools which readers may adopt or adapt to their needs and different ways of organising and delivering projects including agile approaches are considered Because theory can only get you so far a key element of the book is learning from real projects drawing on the experience of project managers working across three continents Each chapter ends with challenges to readers to reflect on their learning which can be based on a theoretical case study or their own project The result is a reflective framework that charts their learning and their project management journey from initiation to closure Project Management Bootcamp is essential reading for junior and mid level career project managers as well as any professionals who finds themselves in charge of a project and are unsure how to get the best result Students in business and management courses at undergraduate and postgraduate levels will also value its setting of theory into a practical context
