Netflix Today Customer Service:

High-Tech, High-Touch Customer Service Micah Solomon, 2012-05-26 Today's customers are a hard bunch to crack. Time-strapped, screen-addicted, value-savvy, and socially engaged, their expectations are tougher than ever for a business to keep up with. They are empowered like never before and expect businesses to respect that sense of empowerment, lashing out at those that don't. Take heart: Old-fashioned customer service, fully retooled for today's blistering pace and digitally connected reality, is what you need to build the kind of loyal customer base that allows you to survive and thrive. And *High Tech High Touch Customer Service* spells out surefire strategies for success in a clear, entertaining, and practical way. Discover six major customer trends and what they mean for your business. Eight unbreakable rules for social media customer service. How to effectively address online complainers and saboteurs on Yelp, Twitter, TripAdvisor, and other forums for user-generated content. The rising power of self-service and how to design it properly. How to build a company culture that breeds stellar customer service. *High Tech High Touch Customer Service* reveals inside secrets of wildly successful customer service initiatives from Internet startups to venerable brands and shows how companies of every stripe can turn casual customers into fervent supporters who will spread the word far and wide online and off.

The Business of Media Distribution

Jeff Ulin, 2013-10-15 First published in 2013, Routledge is an imprint of Taylor & Francis, an informa company. *Contemporary Issues in Luxury Brand Management* Sylvie Studente, Eleonora Cattaneo, 2023-03-31 This book provides a comprehensive overview of the key themes surrounding luxury brand management and the core issues faced by luxury firms today. The luxury industry has undergone a series of dynamic changes in the past twenty years. Economic trends, digital transformation, and changing consumer habits are creating a new competitive landscape where traditional strategies will not necessarily provide continued growth and profitability. Approaching luxury from a realistic brand management perspective, this book works step by step through a typical luxury course structure covering sustainability, heritage, emerging brands, digital marketing and analytics, curation, intellectual property, and start-ups. Each chapter is illustrated by a relevant international case study and further examples, as well as reflective questions to help gain insight from contemporary practice. With additional PowerPoint slides and a test bank of questions available online, this comprehensive textbook should be core reading for postgraduate students studying luxury brand management or luxury strategy.
