Flyers Encyclopedia David Sherman, 2003-09 *The Rangers, The Bruins, And The End of an Era* Jay Moran, 2009 This book is a tribute to the rivalry the New York Rangers had with the Boston Bruins during the decade that Emile Francis ran the club Growing up these two teams are what defined hockey for me and the team was not simply a city or a sweater or a jersey it was the players As Mr Francis himself told me Every time we played it was a war That was the greatest rivalry I've ever seen I wrote this book for the fans of both teams hoping that it would bring back some great memories from a time when the game was a lot different than it is today *The Voices of Hockey* Kirk McKnight, 2016-09-23 Line changes limited time outs and pucks traveling 100 miles per hour hockey is called the fastest game on Earth for a reason Keeping up with this non stop action especially for decades on end takes a special kind of talent Today's NHL broadcasters capture the game in arguably the most difficult capacity in the world of sports giving the fans a guide to the action in a way nobody else could With careers outlasting the players coaches general managers and in some cases the city itself the NHL's broadcasters have more than their fair share of stories to tell In *The Voices of Hockey* Broadcasters Reflect on the Fastest Game on Earth Kirk McKnight takes thirty four of the game's most gifted play by play broadcasters including nine hall of famers and shares their

many insights memories and experiences These broadcasters have witnessed all time greats such as Gordie Howe Bobby Hull Wayne Gretzky Mario Lemieux Sidney Crosby and Alexander Ovechkin making them the ideal voices to pay tribute to the legends of yesterday and the heroes of tomorrow The Voices of Hockey brings the reader down to the surface of the ice to experience overtime marathons record setting performances bloodied fights intense rivalries and the raising of the Stanley Cup with details and inside perspectives from some of the most qualified spectators of the game From Bob Miller's description of The Miracle on Manchester to John Kelly's childhood recollection of Bobby Orr's famous flying goal this book is truly an encapsulation of the NHL over the past fifty years Generations of hockey fans will enjoy reliving their favorite moments and reading about those they missed in this unique and captivating view of the fastest game on Earth *Canadian Saturday Night*, 1950
