Take your pumpkin love to the next level by recording rating and reviewing all the pumpkin spice products you have tried. Space for recording 100 reviews. Each review page gives you a place to write product names, category, where you can purchase the product, appearance, and smell. There is also a place to add additional notes for each product. This is where you can put thoughts on taste for food and drink products. And the best part is that you get to rate each product by coloring in 1-5 pumpkins. There are so many pumpkin spice goodies in the world today, but since they are seasonal, it is easy to forget about them by the time the next fall rolls around. Now you can use this little logbook to help you remember your favorites as well as the things you don't want to buy again. Perfect bound paperback with soft matte cover.
