 Barton,2019-04-22 Harper Wilson and all her siblings were relieved when they received the notice of their parents demise No
 one deserved it more and the only reason Harper agreed to go back to that little town in Ohio was to make sure they were
 truly dead Bryant Prince and his family were immortals and hadn't aged since they'd reached the age of twenty eight He and
 his family had always lived next door to the Wilsons but he never knew the Wilson children The Wilsons had always kept to
 themselves so no one had any idea what was going on in the little house of horrors If they had the Wilson parents would have
 been dead a long time ago There was nothing left of the Wilson house but one wall The fire had taken the rest The garage
 however was still intact and this was where Harper wound up Drawn in by dark morbid memories from her childhood Bryant
 watched her knowing that he'd found his mate *Buch Journal* ,2009 **Anthony** Kathi S. Barton,2016-10-31 Coleen had
 heard just about all she wanted to hear from her grandmother about the Bentleys no one could be that nice There had to be
 an angle there somewhere People just didn't help other people for nothing not in this day and age Tony Bentley wasn't
 expecting to find his mate and as a Were Panther he could even understand her reluctance He was after all a Bentley and the
 poor woman had been taken through the wringer but she was his mate and he wasn't about to take no for an answer Coleen's
 ex had left her in a heap of debt and she couldn't allow herself to bring that kind of baggage into a relationship She'd work
 through it somehow without the help of the mighty Bentleys **Andrew** Kathi S. Barton,2016-04-04 Andrew Lanning was
 happy when they shut down the family search and rescue business He hated it because it was rarely ever a rescue just bodies
 and that was too depressing But now he had to find something else to do Being a man of leisure left him too much time to get
 into trouble so he purchased a floundering cable company to occupy his time But when he started poking around the
 business the things he found made no sense The sales all of them stemmed from one computer and there were over a
 hundred employees Laci Wintermute was caught in the middle of what she thought was a grocery store robbery but found
 out quickly that she was the target of the would be robbers all along What she couldn't figure out was why And those idiots
 weren't the only ones after her either They didn't seem to stop coming So she did the only thing she knew to do she ran She
 ran until she ran out of money acquired an assumed name and took a job at a small cable company The fate Sonya was
 determined to destroy the Lanning family even from the grave
