

6 Strategies for Paying Off Student Loans

01

Begin Payment As Soon As Possible

Tip: If possible, start paying off your student loans while you're still in school.

02

Make More Than the Minimum Payment

Tip: Set up automatic payments that exceed the minimum amount due.

03

Put Your Tax Refund and Extra Money Toward Your Payment

Tip: A small side hustle can go a long way. You could:

- Drive for rideshare or food delivery
- Self-publish your writing to make royalties
- Walk or look after people's pets
- Take online surveys
- Sell art or other handmade goods

04

Determine if You Qualify for Loan Forgiveness

Tip: If you work for the government, a non-profit, a low-income school, or were enrolled at a college that no longer exists you may be eligible for loan forgiveness.

05

Try a Different Repayment Plan

Tip: Depending on your income and family size, you could qualify for \$0 monthly payments on an Income Driven Repayment (IDR) plan.

06

Refinance Your Student Loan

Tip: Refinancing to a loan with a lower interest rate can save you time and money in the long run.

Student Debt William Elliott III, Melinda K. Lewis, 2017-01-26 Offering answers to essential questions about student debt and many connected issues this book examines student debt in the United States at every stage of the process from the banks that issue the loans to the colleges and universities that collect the payments Student lending in the United States is one of the most controversial issues in contemporary American discourse Are these loans the only option for Americans who want to attend college and university in order to attain the best careers and have a productive enjoyable life

Should the predatory lending practices of for profit colleges and universities be stopped How can limits be imposed on student lending amounts without preventing students from getting the education they need to succeed The book explains why so many students are borrowing large amounts of money to attend college considers whether the cost of higher education is simply too high and if there should be a cap on how much money students can borrow explains what is contributing to the rising rate of borrowers defaulting on their loans and predicts whether the so called student loan bubble is in danger of popping The Data and Documents chapter analyzes data gathered from discussions about student debt This information enables readers to better understand who is borrowing student loans what the money from the student loans is going toward what individuals have the authority to decide who qualifies for these loans and what is being done to curb wasteful student spending **Education Tax Proposals** United States.
