kidnapping and Paul has become a celebrity But the circumstances of his release are a mystery On his cell phone Paul finds a video where he sees himself hooded and dressed as a terrorist proclaiming the threat of a devastating bomb in the heart of the United States The threat is real to deactivate the bomb Paul will have to follow his own footsteps and rebuild his insane plan of escape However with every discovery of his forgotten past he will find a new threat in the present It is the beginning of a psychological odyssey filled with obstacles that will take Paul from Houston to Washington and finally to Paris to the very night of the ISIS attacks where he will understand that his fate is tragically linked to that of the couple in love The fact is that nothing and no one not even himself is what it appears to be With a surprising end The Prisoner is a novel built around an ingenious delirium with the mechanics of suspense that will surprise the reader again and again and will force him to plunge into the dark depths of the human soul where love hate desire for revenge and the fight for survival are revealed as the real engines of history *American Garage and Auto Dealer* ,1917 The Feathered World ,1903
